**In Transition** Emily Corbett, 2024-05-28 The first book length work of its kind In Transition Young Adult Literature and Transgender Representation examines the shift in the young adult book market towards increased representation of transgender characters and authors Through a comprehensive exploration of historical conventions genres character diversity and ideologies of trans representation Emily Corbett traces the roots of trans literature from its beginnings in a cisgender dominated publishing world to the recent rise in trans creators characters and implied readers Corbett describes how trans ness was initially perceived as an issue to be overcome by cisgender authors and highlights the ways in which the market has changed Through careful analysis of texts that have until now received little scholarly attention Corbett weaves together different theoretical approaches and fields of study to provide a map of the textual and cultural histories of this twenty first century publishing phenomenon Focusing on trans authorship authentic storytelling and intersectional diversity this book charts changing public attitudes the YA book market and the unique sociocultural moment in which these books are published In Transition contributes new perspectives on the intersections of adolescence and trans ness and sheds light on a dynamic subset of YA literature that has yet to receive sustained analysis

Out of Time? Elena Backhausen, Benjamin Wihstutz, Noa Winter, 2023-07-10 Out of Time has many different meanings amongst them outmoded out of step under time pressure no time left or simply delayed In the disability context it may also refer to resistant attitudes of living in crip time that contradict time as a linear process with a more or less predictable future According to Alison Kafer crip time bends the clock to meet disabled bodies and minds What does this mean in the disability arts What new concepts of accessibility crip futures and crip resistance can be staged or created by disability performance And how does the notion of out of time connect crip time with pandemic time in disability

performance The collective volume seeks to respond to these questions by exploring crip time in disability performance as both a concept and a phenomenon The book tackles the topic from two angles on the one hand from a theoretical point of view that connects performance analysis with crip and performance theory on the other hand from a practice based perspective of disability artists who develop new concepts and dramaturgies of crip time based on their own lived experiences and observations in the field of the performing and disability arts The book gathers different types of text genres forms and styles that mirror the diversity of their authors Besides theoretical and academic chapters on disability performance the book also includes essays poems dramatic texts and choreographic concepts that reflect upon the alternative knowledge in the disability arts The Annotated Abbott and Costello Matthew Coniam, Nick Santa

Maria, 2023-01-02 Abbott and Costello were the most popular comedians of the 1940s with burlesque inspired routines that enthralled audiences on both radio and television Oddly their films have not received the same level of attention from critics and writers as those of other comedy teams This book is a scene by scene film by film guide to their movies making a compelling case for their inclusion at the very top of comic artists Featuring new research and some surprising revelations the book introduces newcomers to the delights of this uproarious team and provides confirmed fans with the ultimate companion to their work Also included is a foreword by John Landis the celebrated director and Abbott and Costello devotee
