Research Perspectives on Social Media Influencers and Brand Communication Brandi Watkins, 2020-11-12

Research Perspectives on Social Media Influencers and Brand Communication examines the myriad ways in which social media and the unique characteristics of the internet have changed brand communication for both brands and consumers focusing on the social media influencer as a brand communicator As brands have noticed the rise of social media influencers as tastemakers and leaders in public opinion they have increasingly begun to incorporate social media influencers into their brand communication strategies Each chapter of this book represents a unique theoretical and methodological approach to examining the emergence and growing legitimacy of the social media influencer as a brand communicator from a variety of perspectives and contexts discussing challenges and opportunities afforded to brands by social media influencers and providing an overview of the current research on the use of these branding approaches Scholars of media studies communication and marketing will find this book particularly useful

Invisible Rulers Renée DiResta, 2024-06-11 An essential and riveting Jonathan Haidt account of the small communities of propagandists revolutionizing politics culture and society Invisible Rulers is about a profound transformation in power and influence that is altering our politics our local government and even our relationships with friends and neighbors Today small communities of propagandists increasingly shape public opinion and even control our relationship to the truth Our shared reality has splintered into discrete bespoke realities driven by algorithms influencers and curated content Very little can bridge the divide thereby making democratic consensus nearly impossible to achieve Ren e DiResta exposes how these propagandists and their followers undermine the institutions that make society work from anti vaccine zealots who flood social media with fringe viewpoints to influencers who use AI generated images to manipulate our perception of reality She also provides readers with a new conception of civics that helps us understand and fight back against these new invisible rulers
