Ultimate Guide to AI-Powered Online Course Creation Sean Graham,2025-03-10 The online course industry is booming
and with AI creating a profitable and engaging course has never been easier This guide will walk you through everything you
need to know from selecting the right niche to automating content creation marketing and scaling your business Whether
you re a complete beginner or looking to optimize your existing course this book will provide you with the tools and
strategies to succeed **Power and Prediction** Ajay Agrawal,Joshua Gans,Avi Goldfarb,2022-11-15 Disruption resulting

from the proliferation of AI is coming The authors of the bestselling Prediction Machines can help you prepare Artificial
intelligence AI has impacted many industries around the world banking and finance pharmaceuticals automotive medical
technology manufacturing and retail But it has only just begun its odyssey toward cheaper better and faster predictions that
drive strategic business decisions When prediction is taken to the max industries transform and with such transformation
comes disruption What is at the root of this In their bestselling first book Prediction Machines eminent economists Ajay
Agrawal Joshua Gans and Avi Goldfarb explained the simple yet game changing economics of AI Now in Power and Prediction
they go deeper examining the most basic unit of analysis the decision The authors explain that the two key decision making
ingredients are prediction and judgment and we perform both together in our minds often without realizing it The rise of AI
is shifting prediction from humans to machines relieving people from this cognitive load while increasing the speed and
accuracy of decisions This sets the stage for a flourishing of new decisions and has profound implications for system level
innovation Redesigning systems of interdependent decisions takes time many industries are in the quiet before the storm but
when these new systems emerge they can be disruptive on a global scale Decision making confers power In industry power
confers profits in society power confers control This process will have winners and losers and the authors show how
businesses can leverage opportunities as well as protect their positions Filled with illuminating insights rich examples and
practical advice Power and Prediction is the must read guide for any business leader or policymaker on how to make the
