Nine Dimensions of Scaffolding for Multilingual Learners Maria G. Dove, Andrea Honigsfeld, Carrie McDermott Goldman, 2025-07-24. Create a rigorous learning environment with strategic and inclusive scaffolding practices. Today's classrooms are more linguistically diverse than ever, but many educators still feel underprepared to support multilingual learners in accessing grade-level academic content. Without intentional scaffolding, these students miss opportunities to thrive alongside their peers. Through nine scaffolded approaches: instructional, linguistic, multimodal, multisensory, graphic, digital, interactive, collaborative, social, emotional, and environmental, this resource offers content area teachers research-based practical strategies to meet the linguistic, social, emotional, and academic needs of multilingual learners. Key features of this book include: Detailed vignettes and authentic examples from classrooms to illustrate scaffolding in action; Research-based strategies for integrating scaffolds into lessons across content areas; Self-assessment tools and reflection questions for personal and professional growth; Practical templates to help educators tailor their scaffolding techniques to individual student needs. Scaffolding instruction is not just another teaching approach to learning; it is a critical non-negotiable for multilingual learners, providing a lifeline to language mastery, academic achievement, and a profound sense of belonging. Dove, Honigsfeld, and McDermott Goldman offer the guidance and inspiration educators need to cultivate equitable, engaging learning opportunities that truly help multilingual students to soar.
