demonologia Frederik Koning,1974 **Demoniality** Sinistrari of Ameno,2019-06-28 This 17th century treatise on demonology written by the respected theologian Catholic priest and exorcist Rev Father Sinistrari examines a particular class of spirits known as the incubus and succubus These minor demons crave sex and often attack their victims while they sleep Though incubus and succubus are considered less dangerous than possessing demons they can be relentless in pursuit of their desire and grow violent when resisted Demoniality advances novel theories about occult biology claiming demons can reanimate corpses to have sex and impregnate victims with demonic seed to produce offspring who are tall hardy bold and wicked An expert on witchcraft and sexual sin Rev Father Sinistrari included sections on related phenomena including bestiality necrophilia demonic pacts witchcraft witches marks devil worship and magical beings such as fauns centaurs and elves Father Sinistrari was a learned Franciscan Friar who used deductive reasoning to examine the characteristics of the spirit world For example do demons have mass He concludes they do but determines they are porous allowing for their supernatural feats of passing through objects and appearing from nowhere He also classified the demonic spirits by their actions explaining that some seek out corrupt pacts with witches or wizards while others are parasitic and indiscriminately attack the innocent As a primer on demonic behavior Demonality is extremely detailed Father Sinistrari was schooled in the sciences of the time including herbalism alchemy elements humors and the symptoms of witchcraft even serving as an advisor to the notorious Inquisition Because of this he focuses on diagnoses and remedies to expel the pests using his alchemical knowledge to devise herbal formulas for countering a demon s specific elemental nature These elaborate herbal recipes are similar to the elixirs found in a magician s grimoire or a witch s book of shadows The title of the book is a play on the word bestiality which conveys Father Sinistrari s belief that copulating with demons is similarly a sinful act and a crime But while incubus and succubus are spirits doing evil deeds Father Sinistrari is not dismissive of their salvation He advances the theological argument that these minor demons have souls and can be saved from damnation He distinguishes them from the more vulgar type that tend to possess humans in terrifying displays As proof he shows how this latter class of demon greatly fears religious relics while incubus and succubus do not object when in their presence clear evidence according to Sinistrari that they are not damned but are likely in limbo As a prominent exorcist of his time Father Sinistrari encountered victims of demonic activity on a regular basis Many of the afflicted were ironically nuns and priests in the service of God or people under their care In one story a young maiden of noble birth is romantically pursued by a spirit that out of frustration with her chastity finally attacks her Another story involves a nun who disappeared to her cell where two voices are heard along with groaning and the creaking of her bed A rival nun drilled a hole through the partition to see an attractive young man lying with her sister who mysteriously disappeared when the two were confronted References to demonic attack were

carved into stone four thousand years ago long before Jesus Christ the greatest exorcist of them all walked the earth As Christianity took hold encounters with these entities were often laid out in moral terms Father Sinistrari took a different approach applying reason to understand this curious phenomenon along with theology history and science The result is this interesting treatise Demonology and Devil Lore BOTNL Staff,1994-04-01 **Biblical Demonology** Merrill Frederick Unger,1952 Some Notes on the Demonology in the New Testament Samson Eitem,1961 Demonology Ken Chant,1997-12 This volume takes a serious look into the kingdom of darkness The author an Australian pastor hopes that these studies will enrich readers understanding of the place of demons in God s world Theology **Doctrine of Demons** Edward Langton,2016-05-23 **Demonology and Devil-lore** Moncure Daniel Conway,2021-08-02 Great Demonology Information Great old academic book on how cultures form demon and god mythologies and what happens when they are brought together Goes into a lot of depth about religions all over the world and how they will adopt and absorb each other Any reader will get a thorough overview of different devil lore from every major influence The concise but stimulating content will lay a good foundation to explore many aspects of theology from Angel to demon and back again Edition fully annotated and illustrated
