Dennis the Menace, I Done it My Way Hank Ketcham, 1979      Sorry for the Inconvenience/Going Your Way R.J. Nobleman, 2013-04-23 Well I hope you enjoyed the stories all are TRUE that I wanted to share with you in this book I promise to keep tabs on things that occur from this point on so that I can put them into the sequel Like I stated in the Preface anyone can write a book of this kind about the crazy exotic experiences they have experienced or witnessed on subways buses cruises tour buses elevators and the like Its just a matter of putting your experiences to paper or computer files Throughout this book I made references to the fact that many people who also witnessed these occurrences sort of said or did nothing that they just did not want to get involved This was evident in their making believe that they did not see or hear anything that they were just oblivious to the situation that they just didnt want to get involved That is why I have coined the expression pulling a Sergeant Schultz Im confident that Sergeant Schultz played by the late John Banner in the 1960s series Hogans Heroes is the one who made believe he did not see or hear or know anything that was going on that wasnt acceptable His famous words were I see No THING No THING and I know No THING No THING This was evident in the Kitty Genovese murder case as occurred in Kew Gardens Queens New York City on March 13 1964 As described by Wikipedia Kitty Genovese was a young woman murdered by a killer who came back a second time to finish the job and nobody none of those who heard or witnessed it intervened or called the police This has often been called the By Stander Effect or the Genovese Syndrome basically all those who heard the commotion or witnessed the crime pulled a Sergeant Schultz They saw NO THING No THING they heard No THING No THING they knew No THING No THING they DID No THING No THING One thing that I am hoping for is that the expression that I coined in this book pulling a Sergeant Schultz will become a new expression I think you know what I mean by new expression words and expressions that pop up over time and become part of the English language even unofficially words and expressions like dis right on rock n roll disco hip hop my bad couch potato going green ambulance chaser and many others One thing about these new words and expressions that they all seem to have in common is that nobody seems to know WHERE these words came from nor WHO actually coined them My hope is that pulling a Sergeant Schultz will become another one of those new expressions If that happens we will ALL know who coined it the one and only R J Nobleman and WHERE the phrase was coined SORRY FOR THE INCONVENIENCE GOING YOUR WAY      **Paperbound**
