The Adventures of Simplicius Simplicissimus Hans Jakob Christoph von Grimmelshausen, 1993 Written against a background of the Thirty Years War and first published in 1669 this renowned picaresque classic recounts with wonderful biting satire the vagabond adventures of a not so simple simpleton during one of Europe s fiercest yet ultimately most futile wars Simplicius is an earthy character he humiliates the mighty confounds the gods ridicules the pretentious The translation uses the authoritative first edition for its text and though it has been slightly abbreviated no essential passages have been sacrificed This unexpurgated translation

reflects the linguistic turmoil and richness of German in the 17th century it is ideal as the centerpiece for courses in German literature in translation and courses in the European Baroque

Der abenteuerliche Simplicissimus Hans Jakob Christoph von Grimmelshausen, 1667 **Seetiefen und Seelentiefen** Monika Schmitz-Emans, 2003 *Der abenteuerliche Simplicissimus deutsch* Hans Jakob Christoph von Grimmelshausen, 1979 **The Adventurous Simplicissimus** Hans Jakob Christoph von Grimmelshausen, 1962

Simplicius Simplicissimus is a picaresque novel of the lower Baroque style written in 1668 by Hans Jakob Christoffel von Grimmelshausen and probably published the same year. Inspired by the events and horrors of the Thirty Years War which devastated Germany from 1618 to 1648, it is regarded as the first adventure novel in the German language and the first German novel masterpiece. The novel is told from the perspective of its protagonist Simplicius, a rogue or picaresque hero typical of the picaresque novel as he traverses the tumultuous world of the Holy Roman Empire during the Thirty Years War. Raised by a peasant family, he is separated from his home by foraging dragoons and is adopted by a hermit living in the forest who teaches him to read and introduces him to religion. The hermit also gives Simplicius his name because he was so simple that he did not know what his own name was. After the death of the hermit, Simplicius must fend for himself. He is conscripted at a young age into service and from there embarks on years of foraging, military triumph, wealth, prostitution, disease, bourgeois domestic life, and travels to Russia, France, and to an alternative world inhabited by mermaids. The novel ends with Simplicius turning to a life of hermitage, himself denouncing the world as corrupt.
