## **Der Gekreuzigte Gott:**

Der gekreuzigte Gott Jürgen Moltmann, 1972      *Der Gekreuzigte Gott. The Crucified God. The Cross of Christ as the Foundation and Criticism of Christian Theology.* (Translated by R.A. Wilson and John Bowden.). Jürgen Moltmann, 1974

*Diskussion über Jürgen Moltmanns Buch "Der gekreuzigte Gott"* Michael Welker, 1979      Der gekreuzigte Gott Jürgen Moltmann, 1972      **"Der gekreuzigte Gott"** Gabriele Gräter, 1976      **Der gekreuzigte Gott** Jürgen Moltmann, 1976

**Der gekreuzigte Gott** Jürgen Moltmann, 1981      Der gekreuzigte Gott Jürgen Moltmann, 2016      *The Spirit of Liberation* Tae Wha Yoo, 2019-12-30 With this study on Moltmann's pneumatology the author recently obtained the doctor's degree from the Faculty of Theology of the Free University in Amsterdam First of all the book provides us with a thorough evaluation of the role the Holy Spirit plays in the theology of Jürgen Moltmann in its subsequent phases The author's conclusion is that despite all differences there is one constant factor the Spirit is always connected with freedom The Holy Spirit according to Moltmann is a liberating power Because the author is eager to place Moltmann's pneumatology repeatedly in the context of his theology as a whole and of its developments this book offers and that is a second quality an outstanding insight in the whole of Moltmann's theology and its development throughout the years      **God's Wounds:**

**Hermeneutic of the Christian Symbol of Divine Suffering, Volume One** Jeff B. Pool, 2009-01-01 This book constitutes the first volume of a three volume study of Christian testimonies to divine suffering God's Wounds Hermeneutic of the Christian Symbol of Divine Suffering Divine Vulnerability and Creation This study first develops an approach to interpreting the contested claims about the suffering of God Thus the larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God Through this approach this volume of studies into the Christian symbol of divine suffering then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation

**Pilgrimage of Love** Joy Ann McDougall, 2005-10-13 In *Pilgrimage of Love* Joy Ann McDougall offers an original reading and critical analysis of German Protestant theologian Jürgen Moltmann's social trinitarian theology She identifies the driving theological impulses methodological convictions and practical concerns that shape the author's evolving trinitarian vision She uncovers the narrative of divine love in Moltmann's early trilogy and shows how its conceptual trajectory shifts and deepens in his six volume *Systematic Contributions to Theology* Building on her analysis McDougall advances a compelling

case for the concept of trinitarian fellowship as the structuring theological principle in Moltmann's later work. She demonstrates how this concept of divine love unifies the author's theological anthropology, theology of grace, and the practices of the life of faith. Finally, she shows how this social trinitarian analogy of fellowship serves as an elastic rule of faith in the personal, political, and ecclesial realms of human existence. While McDougall highlights the prophetic potential of Moltmann's trinitarian theology for Christian praxis, she also challenges the author's underdeveloped doctrine of sin and theory of theological language. *Pilgrimage of Love* offers one of the first comprehensive interpretations of Moltmann's mature trinitarian theology. It introduces, systematizes, and clarifies the thought of one of the most significant Protestant theologians at the turn of the twenty-first century. This study will be an invaluable resource on Moltmann's thought for scholars of modern Protestant theology and for all those interested in the current renaissance of trinitarian theology.

*Diskussion, Jürgen Moltmanns Buch "Der gekreuzigte Gott"*, 1979      Hope Lichner Milos, 2021-06-14. In our times, hope is called into question. The disintegration of economic systems, of states and societies, families, friendships, distrust in political structures forces us to ask if hope has disappeared from the experience of today's men and women. In August 2019, up to 240 participants met at the international theological congress in Bratislava, Slovakia. The main lectures, congress sections, and workshops aimed to provide a space for thinking about the central theme of hope in relation to philosophy, politics, pedagogy, social work, charity, interreligious dialogue, and ecumenism.
