Der Fuehrer Konrad Heiden,1967 *Der Fuehrer* Konrad Heiden,1944 *Der Fuehrer* Konrad Heiden,1944 *Der Fuehrer: Hitler's Rise to Power* Konrad Heiden,1968 *Der Fuehrer: Hitler's Rise to Power* Konrad Huiden,1944 **Der Fuehrer** Konrad Heiden,1969 **Der Fuehrer** Konrad Heiden,1969 Der Fuhrer Konrad Heiden,1969 **Hitler's Rise to Power** Geoffrey Pridham,1973 **The War Against the Jews, 1933-1945** Lucy S. Dawidowicz,2010-11-09 A history of how anti Semitism evolved into the Holocaust in Germany If any book can tell what Hitlerism was like this is it Alfred Kazin Lucy Dawidowicz s groundbreaking *The War Against the Jews* inspired waves of both acclaim and controversy upon its release in 1975 Dawidowicz argues that genocide was to the Nazis as central a war goal as conquering Europe and was made possible by a combination of political social and technological factors She explores the full history of Hitler s Final Solution from the rise of anti Semitism to the creation of Jewish ghettos to the brutal tactics of mass murder employed by the Nazis Written with devastating detail *The War Against the Jews* is the definitive and comprehensive book on one of history s darkest chapters **Hitler's War Aims** Norman Rich,1973 Dealing with the military phase of Hitler s expansion Rich tells an absorbing story of Germany s relentless drive in every direction and provides a vivid account of the relations between Hitler and his newly acquired subjects and satellites Hans W Gatzke *Political Science Quarterly* **1928-1945** Heinz-Dietrich Fischer,2020-01-20 No detailed description available for 1928 1945 **Hitler's Jewish Soldiers** Bryan Mark Rigg,2002 On the murderous road to racial purity Hitler encountered unexpected detours largely due to his own crazed views and inconsistent policies regarding Jewish identity After centuries of Jewish assimilation and intermarriage in German society he discovered that eliminating Jews from the rest of the population was more difficult than he d anticipated As Bryan Rigg shows in this provocative new study nowhere was that heinous process more fraught with contradiction and confusion than in the German military Contrary to conventional views Rigg reveals that a startlingly large number of German military men were classified by the Nazis as Jews or partial Jews Mischlinge in the wake of racial laws first enacted in the mid 1930s Rigg demonstrates that the actual number was much higher than previously thought perhaps as many as 150 000 men including decorated veterans and high ranking officers even generals and admirals As Rigg fully documents for the first time a great many of these men did not even consider themselves Jewish and had embraced the military as a way of life and as devoted patriots eager to serve a revived German nation In turn they had been embraced by the Wehrmacht which prior to Hitler had given little thought to the race of these men but which was now forced to look deeply into the ancestry of its soldiers The process of investigation and removal however was marred by a highly inconsistent application of Nazi law Numerous exemptions were made in order to allow a soldier to stay within the ranks or to spare a soldier s parent spouse or other relative from incarceration or far worse Hitler s own signature can be found on many of these exemption orders But as the war dragged on Nazi politics came to trump military logic even in the face of the Wehrmacht s growing manpower needs

closing legal loopholes and making it virtually impossible for these soldiers to escape the fate of millions of other victims of the Third Reich Based on a deep and wide ranging research in archival and secondary sources as well as extensive interviews with more than four hundred Mischlinge and their relatives Rigg s study breaks truly new ground in a crowded field and shows from yet another angle the extremely flawed dishonest demeaning and tragic essence of Hitler s rule **SA-Fuhrer: Shaping A Nation: The Senior Leadership of Hitler's Storm Troops, 1920 1945, Volume 1 (Oberster SA-Fuhrer and SA-Stabschef)** Michael D. Miller, *The Shaping of the Nazi State (RLE Nazi Germany & Holocaust)* Peter D. Stachura, 2014-09-19 Representing the scholarship of historians who have largely based their findings on previously unpublished material this volume originally published in 1978 provides a critical and provocative assessment of many established opinions on significant themes related to the dramatic rise and development of Adolf Hitler s Nazi Movement The volume discusses among other things The development of Hitler s foreign policy ideas The contributions of Gottfried Feder and Gregor Strasser to the successful growth of the Nazi party The social composition of the Stormtroopers The bureaucratic structure of the Third Reich The character and scope of resistance within Germany to the regime *Hitler's Court* Heike B. Görtemaker, 2022-01-12 This revelatory history examines the loyal inner circle that followed and enabled Hitler s rise to power and continued on after WWII Hitler was not a lonely aloof dictator Throughout his rise in the NSDAP he gathered a loyal circle around him and was surrounded by people who celebrated flattered and intrigued him Who belonged to this inner circle around Hitler What function did this court fulfill And how did it influence the perception of history after 1945 Using previously unknown sources Heike G rtemaker explores Hitler s private environment and shows how this inner circle made him who he was Hitler s inner circle the Berghof Society was his private retreat But the court was more than that It provided him with the support he needed to take on the role of F hrer at all while at the same time allowing him to use its members as political front men Most of all it represented a conspiratorial community whose lowest common denominator was anti Semitism In this book Heike G rtemaker asks new questions about the truth behind Hitler s inner circle and for the first time also examines the circle without leaders the networking of the inner circle after 1945 *Der Führer*, 1945

Stormtroopers (RLE Nazi Germany & Holocaust) Conan Fischer, 2014-09-04 This examination of Hitler s stormtroopers provides vital insights into the collapse of the Weimar Republic and the establishment of the Nazi state Drawing on a wide range of archival sources and extensive biographical material left by the stormtroopers themselves the author challenges the belief that Hitler s SA was predominantly lower middle class This revealing study of street politics during an era of economic and political dislocation and is an important contribution to the history of inter war Germany which will appeal to the advanced undergraduate and postgraduate reader alike *The Word in Stone* Robert R. Taylor, 1974-01-01 **Hitler and the Quest for World Domination** Geoffrey Stoakes, 1986 Examines the factors influencing Hitler and the Nazi Party in the evolution of an aggressive expansionist foreign policy towards the USSR and desire for alliances with Italy and Britain during

the 1920s Discusses the extreme anti Bolshevik antisemitism of Dietrich Eckart and Alfred Rosenberg the imperialist ideology of the prewar Pan German movement which was also antisemitic and geopolitical theory Concludes that the party s antisemitic ideology played an important role in the decision to seek territory in the East However at this time Hitler s theories of world domination by the Aryan race did not necessarily imply German world conquest The consistency of Hitler s basic strategy from the 1920s on strengthens the claim of the intentionalist school that his goals were well defined from the early days of the Nazi Party
