Derelicts Of Company K:

The Derelicts of Company K Tamotsu Shibutani, 1978 Everywhere Company K went the men forged a record of discord and misbehavior widespread absenteeism insubordination intramural violence and protests sometimes bordering on mutiny This book describes just how Company K disintegrated However bizarre the behavior of Company K may appear to an outsider it becomes readily comprehensible once incidents are viewed through the eyes of the participants This story emphasizes the way in which beliefs and sentiments concerning the army their leaders and especially themselves developed

Logics of Integration Noriaki Hoshino, 2024-07-29 Logics of Integration by Noriaki Hoshino recounts the history of the relationship between modern Japanese transpacific migration and the formation of two multi ethnic empires Japan and the United States focusing on intellectual discourses about migrants and their descendants This book adopts a transnational perspective juxtaposing two multi ethnic imperial formations and develops a theoretical analysis of the discourses on mobility and national territorial integration Via this innovative approach Dr Hoshino reveals the unique role of Japanese migrants and their representation in the complicated power relationships between the two empires in the modern Pacific world

Service in a Time of Suspicion Michelle Sandhoff, 2017-09 On September 11 2001 nineteen members of the Islamist extremist organization al Qaeda launched four coordinated attacks on the United States killing 2 977 people These events and the government's subsequent War on Terror refueled long standing negative stereotypes about Muslims and Islam among many Americans And yet thousands of practicing Muslims continued to serve or chose to enlist in the U S military during these years In *Service in a Time of Suspicion* fifteen such service members talk about what it means to be Muslim American and a uniformed member of the armed services in the twenty first century These honest accounts remind us of our shared humanity *Five Views* California. Individuality and Social Control Kian M. Kwan, Margareta Bertilsson, 1996 This 13th volume in the series covers a variety of topics in the field of individuality and social control **Humboldt Journal of Social Relations** , 1979 *The Big Aiiieeeee!* Jeffery Paul Chan, 1991 An Anthology of Chinese American and Japanese American Literature When the first volume of this collection of Asian American literature appeared in 1974 it showed readers the roots and the richness of Chinese American and Japanese American writing The authors called their anthology Aiiieeeee because that was the shout the scream often the only sound coming from the yellow man or woman in American movies television or comic books But as that work demonstrated the Asian American writer long ignored and excluded from participating in American culture has an articulate and creative voice The Big Aiiieeeee an entirely new and truly comprehensive collection brings together the earliest writings to appear in America such as the revealing *An English Chinese Phrase Book* used by the first generation of Chinese immigrants and recent stories and essays such as *Come All Ye Asian American Writers* by Frank Chin about the importance of Chinese and Japanese heroic tradition Here we all can now learn of the pain the dreams the betrayals and the

indelible sense of otherness of Americans of Chinese and Japanese descent in a seminal collection of poetry prose and drama writings filled with rage and beauty memory and vision Here is a Gold Mountain of voices In the telling and retelling of our stories we create a community of memory This huge collection invites all of us to become listeners and to claim America Ronald Takai author of *Strangers from a Different Shore A History of Asian Americans* *Peacekeepers and Their Wives* David R. Segal, Mady Wechsler Segal, 1993-10-30 David and Mady Segal analyze the adaptation of American soldiers assigned to the Multinational Force and Observers MFO in the Sinai Desert in support of the Camp David Accords in the context of the evolution of multinational peacekeeping forces as mechanisms for achieving international security The reactions of soldiers and their wives to the peacekeeping assignment are considered from the perspective of the social construction of reality in which the role of the military has been defined as war fighting The press has ignored peacekeeping until very recently and it falls to military organizations to soldiers and their families to make sense of the mission Lessons learned from the Sinai MFO experience should be used to help U S troops better prepare for their increasing role in multinational peacekeeping
