**Generative AI in Higher Education** Cecilia Ka Yuk Chan, Tom Colloton, 2024-03-21 Chan and Colloton's book is one of the first to provide a comprehensive examination of the use and impact of ChatGPT and Generative AI (GenAI) in higher education. Since November 2022, every conversation in higher education has involved ChatGPT and its impact on all aspects of teaching and learning. The book explores the necessity of AI literacy tailored to professional contexts, assesses the strengths and weaknesses of incorporating ChatGPT in curriculum design, and delves into the transformation of assessment methods in the GenAI era. The authors introduce the Six Assessment Redesign Pivotal Strategies (SARPS) and an AI Assessment Integration Framework encouraging a learner-centric assessment model. The necessity for well-crafted AI educational policies is explored, as well as a blueprint for policy formulation in academic institutions. Technical enthusiasts are catered to with a deep dive into the mechanics behind GenAI, from the history of neural networks to the latest advances and applications of GenAI technologies. With an eye on the future of AI in education, this book will appeal to educators, students, and scholars interested in the wider societal implications and the transformative role of GenAI in pedagogy and research. The Open Access version of this book is available at [www.taylorfrancis.com](http://www.taylorfrancis.com) and has been made available under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND 4.0) license.

**Relentless Caring** William H. McGill, 2024-03-05 By delivering kindness every day at all levels of your organization and to all your customers, you will earn dedicated employees and repeat customers and ultimately profitability. This step-by-step guide details an approach to leadership focused on caring about the well-being of others. As founder and executive chairman of MarineMax and with kindness as his true north, William H. McGill Jr. helped transform the company from a small disparate group of boat dealers into a highly profitable 2 billion global conglomerate. In *Relentless Caring*, McGill shares what he's learned about how to truly care about others 24/7 and generate solid profits at the same time. Readers will learn why having the right people in the right jobs matters, how to find the right team members and take care of them and their families, including providing high-quality, low-cost health care. Why long-term thinking is essential for success, why persistence, consistency, and risk are essential for growth, why investing in basic tools like personality profiling and a structured hiring and promotions system contribute to making the right decisions. *Relentless Caring* is a practical playbook for managing from the heart, tirelessly delivering goodness and kindness to your team members and to customers to build strong loyalties that can buoy your organization even in the most challenging economic waters.
