AI and Writing Sidney I. Dobrin, 2023-08-18 AI and Writing is an introduction to Generative Artificial Intelligence GenAI and its emergent role as a tool for academic professional civic and personal writing Sid Dobrin examines GenAI from two perspectives the conceptual and the applied The conceptual approach addresses the function of GenAI and the ramifications of its use as a writing tool especially the ethical social and material issues it raises The applied approach offers guidance to assist readers in using GenAI responsibly and authentically In consideration of the rapid evolution of GenAI and the many unsettled questions about its role Dobrin leaves room for readers to adapt to shifting technological and institutional conventions This book is intended for composition and writing intensive courses and for any readers with a general or professional interest in the role of GenAI in writing While it is primarily designed for first year writing courses it s also applicable to courses in advanced writing professional writing technical writing business writing and writing across the curriculum as well as writing intensive courses in other disciplines In other words it can be used in any course in which students are required to produce texts

Technical Writing and Professional Communication Baalaaditya Mishra, 2025-01-03 Technical Writing and Professional Communication is divided into two parts Technical Communication and Professional Communication This comprehensive guide covers essential chapters on technical communication followed by the most important aspects of professional communication We all know

that communication is an integral part of our lives whether via text or speaking to convey our thoughts and feelings to others. Different communication skills are needed for various situations. For example, we use informal communication with family and friends, but for job interviews, business meetings, or interactions with teachers, formal communication is necessary. Communicating formally is a crucial skill, and mastering technical and professional communication is essential. This book provides the knowledge and tools needed to excel in both areas, making it an invaluable resource for anyone looking to improve their communication skills.

Marketing Artificial Intelligence Paul Roetzer, Mike Kaput, 2022-06-28. Artificial intelligence is forecasted to have trillions of dollars of impact on businesses and the economy, yet many marketers struggle to understand what it is and how to apply it in their marketing efforts. The truth is AI possesses the power to change everything. While AI-powered marketing technologies may never achieve the sci-fi vision of self-running, self-improving autonomous systems, a little bit of AI can go a long way toward dramatically increasing productivity, efficiency, and performance. Marketing AI Institute's Founder CEO Paul Roetzer and Chief Content Officer Mike Kaput join forces to show marketers how to embrace AI and make it their competitive advantage. *Marketing Artificial Intelligence* draws on years of research and dozens of interviews with AI marketers, executives, engineers, and entrepreneurs. Roetzer and Kaput present the current potential of AI, as well as a glimpse into a near future in which marketers and machines work seamlessly to run personalized campaigns of unprecedented complexity with unimaginable simplicity. As the amount of data exponentially increases, marketers' abilities to filter through the noise and turn information into actionable intelligence remain limited. Roetzer and Kaput show you how to make breaking through that noise your superpower. So come along on a journey of exploration and enlightenment. *Marketing Artificial Intelligence* is the blueprint for understanding and applying AI, giving you just the edge in your career you've been waiting for.
