Highly Rated Hybrid Work Schedule For Moms:

Working Mother, 2003-10 The magazine that helps career moms balance their personal and professional lives **Good**

Enough Is the New Perfect Becky Beaupre Gillespie, Hollee Schwartz Temple, 2011-05-01 In this updated 10th anniversary edition of Gillespie and Temple's groundbreaking research *Good Enough Is the New Perfect* shows that modern mothers really can have it all. The pressure on women is real. We dominate in our jobs while simultaneously juggling the needs of our families and our homes. But what about our own needs? With so many balls in the air, finding balance is harder than ever. The truth is that you can have it all. The secret is creating an all that you love. Through their extensive research, Becky Beaupre Gillespie and Hollee Schwartz Temple have discovered a paradigm shift in motherhood: more and more mothers are losing their never-enough attitude and embracing a good-enough mindset to be happier, more confident, and more fulfilled. With inspiring firsthand accounts from working mothers, *Good Enough Is the New Perfect* is a true roadmap for the incredible balancing act we call motherhood and getting what you really want out of your career, your family, and your life. Most moms I know don't even want it all. We just want less stress and enough time. But how can we achieve it? *Good Enough Is the New Perfect* sheds light on this question. *The Washington Post* *Exploring Women's Experiences in Higher Education* Jo Divers, Sam Chenery-Morris, 2025-11-03 This book considers the structure and demographics of the workforce in nursing and midwifery, higher education, observing the gender divide, highlighting the impact of intersectionality, and exploring the challenges and opportunities. This provides Divers and Chenery-Morris look at the power of clinical practice, the perception of nursing and midwifery as women's work, perceptions of meaning around being female, social mobility, race, sexuality, the caring role, academic identities, and the role of men. To investigate these issues, they introduce intersectional case studies of the lived experiences of women working in higher education and make connections to the wider international literature in particular sociological, feminist, and gender theories. The chapters are linked to larger questions that encompass the purpose of universities, more generally, including social mobility, generating new knowledge, challenging irrelevant practices, or those rooted in colonisation and reflexivity, culminating in visions of the future for the professions. Showcasing a range of experiences and voices from nursing and midwifery academics, this is an important contribution to discussions of gender in higher education and in the caring professions. It will interest advanced students and researchers from nursing, midwifery, education, sociology, and gender studies. *Good Housekeeping*, 1929 *Too Tired to Fight* Erin Mitchell, MACP, Stephen Mitchell, PhD, 2024-07-09 How couples with kids can transform 13 common relationship fights into closer connection from popular Instagram counselors Erin and Stephen Mitchell. Couples counseling for parents: Parenting changes a couple's relationship in fundamental ways, but most parents are too exhausted from the demands of life, work, and engaging their kids to prioritize their relationship.
