Data Driven: Harnessing Data and AI to Reinvent Customer Engagement Tom Chavez, Chris O'Hara, Vivek Vaidya, 2018-10-05. Axiom Business Book Award Silver Medalist in Business Technology. The indispensable guide to data-powered marketing from the team behind the data management platform that helps fuel Salesforce, the #1 customer relationship management (CRM) company in the world. A tectonic shift in the practice of marketing is underway. Digital technology, social media and e-commerce have radically changed the way consumers access information, order products and shop for services. Using the latest technologies, cloud, mobile, social, internet of things (IoT) and artificial intelligence (AI), we have more data about consumers and their needs, wants and affinities than ever before. Data Driven will show you how to target and delight your customers with unprecedented accuracy and success. Bring customers closer to your brand and inspire them to engage, purchase and remain loyal. Capture, organize and analyze data from every source and activate it across every channel. Create a data-powered marketing strategy that can be customized for any audience. Serve individual consumers with highly personalized interactions. Deliver better customer service for the best customer experience. Improve your products and optimize your operating systems. Use AI and IoT to predict the future direction of markets. You'll discover the three principles for building a successful data strategy and the five sources of data-driven power. You'll see how top companies put these data-driven strategies into action: how Pandora used second and third-hand data to learn more about its listeners; how Georgia Pacific moved from scarcity to abundance in the data sphere; and how Dunkin' Brands leveraged CRM data as a force
