develops many of the themes prevalent in the canon of literature In doing so the book examines some of the contexts of 1980s heavy metal including Cold War the rise of MTV and the formation of the Parents Music Resource Center PMRC and subsequent congressional hearings Rock of Pages takes the PMRC's own objections to heavy metal and uses them as titles and topics to analyze the intersections between heavy metal and literature representations of violence but the connected concerns about justice images of substance abuse and the interrelated issues of obsession madness suicidal ideation sex and love with concomitantly representations of women and relationships between men and women and the references to the occult with the depictions of Satan the afterlife and morality on earth itself In doing so the book suggests that 1980s heavy metal displayed more artistry and intelligence than people imagine but that literature is rebellious and subversive as well

The War for Anatolia and the Remaking of International Order Georgios Giannakopoulos, Joseph A. Maiolo, Gonda Van Steen, 2025-11-13 From 1919 to 1922 Greece and Turkey fought a brutal war for Anatolia that reconfigured international politics This volume examines the international transnational and economic dimensions of that conflict and the bitter peace that formally ended it Bringing together a diverse group of experts drawing on multiple archives and the latest scholarship this volume analyses the complexities of peacemaking the foundation of new nations through the violent unmixing of peoples the traumas of military mobilisation and the remarkable revival of global capitalism on the ruins of old empires Taken together these essays will remind readers that the Great War did not end in 1919 and that the Greek Turkish story is a critical element in the wider reshaping of twentieth century international order Management John R.
