Leadership Strategies for the Hybrid Workforce: Best Practices for Fostering Employee Safety and

Significance Ohlson, Matthew, Goel, Lakshmi, 2022-06-24 The global shift of the business world and the way the workforce navigates jobs is a powerful consequence of the global pandemic. Moreover, occupational health and safety initiatives are at the forefront of managerial discussions. Workplace trends show that the flexibility and adaptability demonstrated during the COVID-19 pandemic may prove to offer organizations new insights into employee recruitment, retention, and production. Leadership Strategies for the Hybrid Workforce: Best Practices for Fostering Employee Safety and Significance shares the strategies and best practices in making employees feel valued and significant, a key factor in both employee recruitment and retention, and one that goes far beyond mere pay increases. It uses lessons learned from the COVID-19 pandemic to discuss these new organizational strategies. Covering topics such as digital change, employee significance, and organizational DNA, this book is an essential resource for business leaders, students, and educators of higher education, human resource managers, CEOs, managers, researchers, and academicians.

Do Good Well Nina Vasan, Jennifer Przybylo, 2013-03-14 Written with a fresh voice and a dash of humor, Do Good Well is an exciting and readily adaptable guide to social innovation that not only captures the entrepreneurial and creative spirit of our time but also harnesses the insights, wisdom, and down-to-earth experience of today's most accomplished young leaders. Do Good Well offers a winning combination of theory, anecdote, and application, giving you the framework you need to make an impact next door or across the world. The authors present a 12-step process that empowers readers to act on their passions and concerns. This process is organized into three parts: Do What Works, Work Together, and Make It Last. They offer specific guidance for following the process through practical and prescriptive actions such as building organizations, joining boards, applying for funding, creating partnerships with organizations that have similar goals, organizing conferences, and publicizing events. The book incorporates accounts of young people in action and always reinforces the message that social innovation can be a lifestyle made up of efforts small and large. It is not an all-or-nothing proposition, and anyone can affect social change.
