Audio For Authors Joanna Penn, 2020-03-06

Do you want to create, publish, and market your audiobooks? Are you ready to use podcasting to grow your author brand and reach more readers with your books? Audiobooks are the fastest growing segment in publishing with double-digit growth in markets across the world. Podcasting has gone mainstream with listeners consuming audio on mobile phones and in car devices as well as through smart speakers. Advancements in voice technology continue to expand possibilities for audio creation and marketing. With such rapid growth in opportunity, how can you position your books in an increasingly voice-first world? I've been podcasting for over a decade as well as narrating and producing my own audiobooks since 2014. I'm an avid consumer of audio content, and I'm also experimenting with AI voice technologies. In this book, I'll share everything I know so you can position your books and your author brand for the next shift in reader behavior. You will discover:

Podcasting Profit Secrets: The Step by Step Guide to Launching a Highly Profitable Podcast to Build

Your Brand and Sell More Products. Ramon Tarruella, 2018-10-05 If you're starting your show from scratch and you're doing everything yourself then you need all the help you can get. While recording and publishing your own podcast may sound simple enough, there are actually a lot of things that happen behind the scenes. Planning and creating content, editing your podcast audio files, marketing and promoting your show will take its toll on you if you don't know what you're doing. Podcasting Profit Secrets is a step-by-step blueprint for launching a profitable Podcast. Here's what you'll discover in this course: The importance of branding and building a community around your brand. The 4-step process to finding the perfect niche for your show; yes, it's extremely important you pick the right niche. The one secret no one tells you about monetizing your podcast. How to quickly get in the right mindset to start and commit to your podcast. 5 of the most essential tools you need for podcasting success. The right way to develop your podcast and establish yourself as a trustworthy expert in your niche. Why you should start your own podcast as soon as possible. The easiest way and top tools to use to organize your podcast content. How to sound like a professional podcaster even though you're totally new to the podcasting game. The not-so-widely-known technique to cut down on your podcast editing time. Why you should never upload your podcast files to your web hosting provider. The top places where you can promote your show and grow your audience like a chia pet. How to attract the right advertisers to sponsor your show. And so much more.

How to Start Podcasting as a Business James L. Board, 2020 DON'T STRUGGLE TRYING TO FIGURE OUT HOW TO START AND MONETIZE YOUR PODCAST This book was an expert attempt by the writer to explain the nitty-gritty of podcasting, covering what works and what fails from the author's experience in the niche. The book is packed with a series of tips and tricks for anyone who is just getting started in the podcasting business. Professional podcasters will also find it especially useful to increase their podcast presence with the many expert analyses of how to grow their fan base using SEO technology and their social media platforms. This book covers a lot of guides from selecting the right host for your podcasting to choosing the best interview method for your guests. The book also provides expert insight into what counts as trademark and copyright infringement and how to avoid them best. The book describes many of the latest software for audio editing, how to use them, and why each software is needed. The author talks about some of the myths people unconsciously believe which make podcasters get into trouble by using materials that are not theirs and how to avoid getting into trouble. The author also explicitly talks about various ways by which collaboration with a co-host might work for you and how to go about it. The tips about getting the right interview style and what type of guests should not be welcomed is also included. If you are looking for the right fix to get you on the podcasting, then this is the only material for you. You don't want to miss it.
