 Sethi PhD, MBA, 2025-04-02 Our politicians are opportunistic and divisive Essentially we elect mini kings and queens who  
 misuse and manipulate their power to stay elected perpetually We need to make sure that our elected representatives obey  
 the true opinion of their constituents We need to bring our democracy into the new age of high technology era and introduce  
 easy to use voting or polling tools to create a true issue based democracy not party based It will create a better checks and  
 balances system for people The issues that affect economic health of our people should not be subjected to the vagaries of  
 politicians The book describes the issues and the positions taken predominantly by the Democrats and Republicans as well  
 that are not optimal for the economic health of all people excessive and unthoughtful immigration race or group based
