lead them to your business and once they've converted nurture that relationship. The Good Content strategy accomplishes those goals by dividing content into 3 familiar funnels. Top: Here your content serves the reader's needs, helps them, entertains them, and does so with little or no branding. This stage earns their respect and builds their trust. Middle: Interested readers dig deeper to discover more. This content engages them by writing from their perspective and the benefits they receive from you and your business. Post: After the reader converts to a paying customer, you serve them personalized content that enriches their experience and grows the relationship. Along the way, you maximize content potential by studying metrics and data at every step.

**This Strategy Is Not for Everyone** Good Content requires candor; some find it difficult to write truthfully. Good Content requires you respect and acknowledge your competitors; not all feel able or ready to do so. Good Content demands that you support your decisions with data; some find the idea of analytics, keyword research, and funnel optimizations daunting. But if you're more than prepared to handle those requirements, read on.

**Inside The Book** A top-to-bottom content strategy that builds trust, leads, and respect. 3 exercises to help you generate content ideas at every stage. High-level writing tips to keep your content engaging and honest. Brief introductions to Google Analytics, Search Engine Optimization, Content Management Systems, Keyword Research, and more. An overview of off-site and on-site metrics that help you measure your content's performance. Index of necessary tools and skills required to implement the strategy. A thorough glossary of definitions. Bonus: an exclusive PDF printout for readers.

**Not Inside The Book** Step-by-step tutorials for Google Analytics, WordPress, Search Console, or any other tool. This is a high-level text about content and content strategies.

**What People Are Saying About Good Content** A thoroughly entertaining guide to content marketing. F. Alexander Great read, perfect for those getting started and for those that have lost their way. F. Idesis That's my little brother; technically, he's people. A very helpful introduction to content marketing. I walked away with an expanded view on what it means to market yourself in a virtual, shameless world. M. Dynkin

**Content Inc.: How Entrepreneurs Use Content to Build Massive Audiences and Create Radically Successful Businesses** Joe Pulizzi, 2015-09-08 The NEW Rulebook for Entrepreneurial Success. What's the surest way to startup failure? Follow old, outdated rules. In Content Inc., one of today's most sought-after content marketing strategists reveals a new model for entrepreneurial success. Simply put, it's about developing valuable content, building an audience around that content, and then creating a product for that audience. Notice a shift? Author Joe Pulizzi flips the traditional entrepreneurial approach of first creating a product and then trying to find customers. It's a brilliant reverse engineering of a model that rarely succeeds. The radical six-step business building process revealed in this book is smart, simple, practical, and cost-effective. And best of all, it works. It's a strategy Pulizzi used to build his own successful company, Content Marketing Institute, which has landed on Inc. magazine's list of fastest growing private companies for three years straight. It's also a strategy countless other entrepreneurs use to build their own multi-million-dollar companies. Build an audience, and you'll be able to sell pretty much anything you want. Today's markets are more

dynamic and customers are more fickle than ever before Why would you put all your eggs in one basket before securing a loyal customer base Content Inc shows you how to get customers first and develop products later It s the best way to build a solid long lasting business positioned for today s content driven world This is the simple but profoundly successful entrepreneurial approach of one of today s most creative business minds A pioneer of content marketing Pulizzi has cracked to code when it comes to the power of content in a world where marketers still hold fast to traditional models that no longer work In Content Inc he breaks down the business startup process into six steps making it simple for you to visualize launch and monetize your own business These steps are The Sweet Spot Identify the intersection of your unique competency and your personal passion Content Tilting Determine how you can tilt your sweet spot to find a place where little or no competition exists Building the Base Establish your number one channel for disseminating content blog podcast YouTube etc Harvesting Audience Use social media and SEO to convert one time visitors into long term subscribers Diversification Grow your business by expanding into multiple delivery channels Monetization Now that your expertise is established you can begin charging money for your products or services This model has worked wonders for Pulizzi and countless other examples detailed in the book Connect these six pieces like a puzzle and before you know it you ll be running your own profitable scalable business Pulizzi walks you step by step through the process based on his own success and failures and real world multi million dollar examples from multiple industries and countries Whether you re seeking to start a brand new business or drive innovation in an existing one Content Inc provides everything you need to reverse engineer the traditional entrepreneurial model for better more sustainable success Joe Pulizzi is an entrepreneur professional speaker and podcaster He is the founder of several startups including the Content Marketing Institute CMI recognized as the fastest growing business media company by Inc magazine in 2014 CMI produces Content Marketing World the world s largest content marketing event and publishes the leading content marketing magazine Chief Content Officer Pulizzi s book Epic Content Marketing was named one of Fortune magazine s Five Must Read Business Books of the Year
