As podcasts continue to explode in popularity, more and more people are jumping in head first and creating new shows in an effort to leverage themselves as industry experts, build an audience, connect with more influencers, build personal brands, and boost exposure for their businesses. As of 2019, there are more than 23 million channels. In case you're wondering, I've helped thousands of people start a podcast in the last several years and have started a couple of shows in different industries myself and have been invited to No 10 Downing Street twice due to my podcast and the first person in the world to sell my show, Not Another Crypto Show, in under 8 months. Do not trust me, Google Jason Allan Scott. I was not even a podcaster to start but an entrepreneur and event professional. A lot of people are also now successfully using podcasting as an additional revenue stream for their businesses and for themselves as individuals. If you too are interested in making more money from podcasting, get this book and message me and let my team and I help you get your voice and your message into the world. Just a few of the things you'll learn: What to podcast about, Equipment you'll need, How to record, edit, How to promote your podcast, Podcast sponsorships, Relationships, Increase the sales of your products and services, Coaching, Affiliate marketing, Books and audiobooks, Crowdfunding, Virtual summits, Etc. Get started today.      **Podcast** George Sims, 2020-10-11 Are you ready to start your own podcast?
