

HOW TO MAKE MONEY BLOGGING

From start to business...

by Zac Johnson

1 WORK SMART

If you want to make money with a blog, you need to think like a business. The last thing you want to do is invest your time, money and effort into just being "another blog". Follow the guide below to create a blog that can turn into a part-time or full-time income.

Research a topic that you can build a blog business around... (emphasis on business)

Niche down your topic so you and your site can be the authority

Create an editorial calendar to make sure you have enough topics to write about

Create engaging content that provides value and solves a problem. The more detailed, the better

Install Wordpress, top plugins and also a nice premium theme to stand out from the crowd

It's time to go live with your blog. Choose a relevant domain name and quality web hosting

Create social profiles on every network for both your personal brand and blog

Setup a mailing list for your blog to capture and grow your long term following. Create autoresponder series.

Take your blog to the next level by creating your own products and services to sell
