**Communicating and Relating** Jacquelyn B. Carr, 1991 *Bridges Not Walls* John Stewart, 1995 Bridges not Walls examines interpersonal communication through a broad range of scholarly and popular articles drawn from various disciplines including communication philosophy social science and psychology Within these readings are thought provoking discussions of the nature of interpersonal contact connections between verbal and nonverbal cues person perception and social intelligence listening identity management interpersonal ethics types of love transformational conflict management and diversity The ninth edition features 23 new readings and material on power and the dark side of communication

including deception betrayal and harassment **BOOK JACKET** **Individual Psychology**, 1993 **Choice**, 1988 Gender Basics Anne Minas, 1993 They all raise gender related issues that affect the beliefs and actions of contemporary women and men The writings in this widely diversified anthology consider these issues mainly from feminist perspectives plus other issues equally provocative The authors of the selections female and male straight and gay and representing minority as well as dominant cultural perspectives draw on their own experiences to philosophize and draw conclusions based on thoughtful analysis Helpful introductions and thought provoking questions by the editor set the stage for each article and then raise further areas for thought on the part of the reader **Bridges Not Walls** John Robert Stewart, 1999 Bridges not Walls examines interpersonal communication through a broad range of scholarly and popular articles drawn from various disciplines including communication philosophy social science and psychology Readings included are thought provoking discussions of the nature of interpersonal contact connections between verbal and nonverbal cues person perception and social intelligence listening deception and betrayal identity management interpersonal ethics types of love transformational conflict management and diversity The Stanford Magazine, 1988 Cultural Dynamics of Women's Lives Ana Clara S. Bastos, Jaan Valsiner, Kristiina Uriko, 2012-12-01 This book explores the diverse landscapes wherein women struggle for their personal and social identities and lives between biology and culture destiny and choice shared and individual worlds tradition and modernity Their peripheral lives have central meaning Chaudhary this volume in any society and as such are approached as a primary subject in this book as the chapters traverse ten different countries on three continents North America United States Latin America Brazil Chile Colombia Asia India and Europe United Kingdom Ireland Portugal Finland Estonia Throughout these different places women's lives are an interesting stage for observing the interaction between biology and culture e.g. sex vs gender pregnancy and childbirth vs transition to motherhood The focus on the cultural variability of human experience opens the door for the search of commonalities so needed in psychological theorizing Here this search is directed by how cultural models of womanhood and motherhood constrain personal experiences especially through developmental transitions This book is ultimately an opportunity to approach women's lives from the perspective of the women themselves particularly making audible and explicit their voices and the axis of logic that structures their world Undoubtedly it is a valuable opportunity for women and men interested in understanding and constructing human experience inside better worlds **The Diversity Of Worldviews Among Young Adults** Peter Nynäs, Ariela Keysar, Janne Kontala, Ben-Willie Kwaku Golo, Mika T. Lassander, Marat Shterin, Sofia Sjö, Paul Stenner, 2022-06-30 This open access volume features a data rich portrait of what young adults think about the world It collects the views of students in higher education from various cultural regions religious traditions linguistic groups and political systems This will help readers better understand a generation that will soon rise to power and influence The analysis focuses on 12 countries These include Canada China Finland Ghana India Israel Peru Poland Russia Sweden Turkey and the USA It employs a mixed methods approach invested in the study of an

individual's views and values using state of the art methodology including the innovative Faith Q sort This instrument is new to the field and developed for assessing the entanglement of subjective views and personal beliefs The study also incorporates a comprehensive values survey as well as other survey tools that look into people's social capital media use social values alignment and subjective well being Each chapter is co-authored by an international team of scholars with research interest in the particular topic The rationale for this principle is the need to engage individuals from different cultural backgrounds scholarly disciplines and methodological and substantive competences In the end this innovative approach presents an informed empirically grounded analysis of the values and worldviews of the future generation It sheds an important light on how changes in the religious landscape are intertwined with broad and diffuse processes of socio-economic and global cultural change

*Intimate Mobilities* Christian Groes, Nadine T. Fernandez, 2018-05-24 As globalization and transnational encounters intensify people's mobility is increasingly conditioned by intimacy ranging from love desire and sexual liaisons to broader family kinship and conjugal matters This book explores the entanglement of mobility and intimacy in various configurations throughout the world It argues that rather than being distinct and unrelated phenomena intimacy related mobilities constitute variations of cross border movements shaped by and deeply entwined with issues of gender kinship race and sexuality as well as local and global powers and border restrictions in a disparate world
