Critical Incident Stress Management (CISM) Jeffrey T. Mitchell, 2006-06-01 CISM - Critical Incident Stress Management Karl-H. Richstein, 2025-09-16 Many people experience stressful situations in their professional or personal lives traffic accidents the death of someone nearby assaults suicides or near disasters This book defines various forms of stress and explains their effects Using the CISM methodology it shows institutions and employers how to respond in a scientifically evaluated way Critical Incident Stress Management -CISM- George S. Everly, Jeffrey T. Mitchell, 1999 This is Volume Two in the series Innovations in Disaster and Trauma Psychology This volume describes the CISM approach to crisis response and offers it as a new era in provision of the crisis intervention services For the first time the essential question of CISM as a standard of care in crisis intervention is addressed This second edition represents the most advanced and updated resource available on the topics of CISM and crisis intervention An annotated review of research highlights this valuable text

Critical Incident Stress Management in Aviation Jörg Leonhardt, Mr Joachim Vogt, 2012-10-01 Critical incident stress management CISM is now a well established method in crisis intervention and one that is clearly needed within aviation However there are many peculiarities in this branch of CISM which require thorough consideration People working in high reliability environments need to be sensitive to others reactions to critical stress They are the normal reactions of normal people in abnormal situations However to ensure this a proper programme must be put in place based on a scientific and standardized approach This book describes the various methods and elements of the CISM model as well as their interventions It also investigates the benefits of CISM on the individual level and on an organisational strategic level It details CISM training and courses and features a case study based on the berlingen accident of 2002 Critical Incident Stress Management in Aviation will be of direct relevance to human factors experts safety managers ATCOs and air navigation service providers though there is also much that will be of interest to aviation physicians psychologists and airport airline managers **Critical Incident Stress Management (CISM)** George S.
