Criticism Lawrence J. Trudeau, 1992 Criticism of the most significant and widely studied dramatic works from all the world's literatures Harold Pinter Volker Strunk, 1989 Pinter's dramatic figures are curiously perspectival creatures who exist on several levels at once and who by virtue of the deliberate distortion that went into their creation show close affinities with Mannerism Harold Pinter *Towards a Poetics of His Plays* examines Pinter's stage plays from *The Room* to *One for the Road* as well as several plays for radio and television by focusing on their Mannerist traits it presents its conclusions within the larger context of an inquiry into the principles and rules that can be said to inform Pinter's open drama *Washington International Arts Letter*, 1979 *Literary Research Guide* Margaret C.
