Beliefs, Rituals, and Symbols

of Ancient Greece and Rome Dean Miller,2014-01-01 Greek and Roman mythology is forever linked for a myriad of reasons Historians believe this could be because many of the Roman deities were adopted from the Greek However there are many that were not shared and are proudly only Roman or only Greek This comprehensive atlas presents dictionary entries about the major gods heroes and imaginary creatures of Greek and Roman mythology along with information on some key historical figures and philosophical schools of thought In this impressive book the entries unfold through a pictorial and illustrated journey Through a robust glossary sidebars and thematic introductions the social studies content of this fascinating subject becomes easily digestible even for the most reluctant reader while the further reading section inspires future research
