Carol Lee

Crooked Angels:

Crooked Angels Carol Lee, 2002 *Crooked Angels* traces how memories of terror and neglect from childhood became stored in a woman's muscles. A fit healthy and successful journalist wakes one summer's morning to discover something is terribly wrong; unable to move, she is seized by excruciating paralysis. In a personal account of the link between past and present body and mind, the author gradually discovers the root of the mystery illness that has held her trapped in a cage of pain. With almost forensic skill, Carol Lee follows a trail that starts from the still confinement of her armchair, leading her back to a childhood of Tanzanian landscapes, patriarchal oppression, and an all-seeing unforgiving God. Then on to a hectic life as a newspaper journalist, perpetually on the run from the demons that haunt her. It is only when she suffers this physical breakdown and with the help of a wise osteopath that she can begin to uncover the history that her body has stored and remembered for her: the story of your life, your history is written in your body. As forgotten memories and old injuries are slowly unlocked, so too does the body begin to recover.

Elizabeth Bishop's Brazil Bethany Hicok, 2016-04-29 When the American poet Elizabeth Bishop arrived in Brazil in 1951 at the age of forty, she had not planned to stay, but her love affair with the Brazilian aristocrat Lota de Macedo Soares and with the country itself set her on another course, and Brazil became her home for nearly two decades. In this groundbreaking new study, Bethany Hicok offers Bishop's readers the most comprehensive study to date on the transformative impact of Brazil on the poet's life and art. Based on extensive archival research and travel, *Elizabeth Bishop's Brazil* argues that the whole shape of Bishop's writing career shifted in response to Brazil, taking on historical, political, linguistic, and cultural dimensions that would have been inconceivable without her immersion in this vibrant South American culture. Hicok reveals the mid-century Brazil that Bishop encountered: its extremes of wealth and poverty, its spectacular topography, its language, literature, and people, and examines the Brazilian class structures that placed Bishop and Macedo Soares at the center of the country's political and cultural power brokers. We watch Bishop develop a political poetry of engagement against the backdrop of America's Cold War policies and Brazil's political revolutions. Hicok also offers the first comprehensive evaluation of Bishop's translations of Brazilian writers and their influence on her own work. Drawing on archival sources that include Bishop's unpublished travel writings and providing provocative new readings of the poetry, *Elizabeth Bishop's Brazil* is a long overdue exploration of a pivotal phase in this great poet's life and work.

The Crooked Angel James J. Kavanaugh, Elaine Havelock, 1970 A little angel is unhappy because of his crooked wings, mouth, nose, and halo until he finds a friend with a similar problem.

Under the Wings of God Cornelius Plantinga, 2023-01-24 Longing, Hope, Love, Fear. These are just some of the experiences embodied in the infinitely rich Christian life. In *Under the Wings of God*, seasoned author Cornelius Plantinga explores these facets and more, reflecting on the joys and challenges of a life following God. Rooted in Scripture, this book offers wisdom about topics including the problem of suffering, the nature of Christian virtue, love of God, and our neighbor, longing for redemption and reconciliation.

humility and hospitality Plantinga delves into hard questions with a calm and pastoral authority that offers the perfect antidote for the unrest in the world and the church right now Each reflection is presented with a Bible text and a brief prayer useful for personal devotions or small group discussions Readers will emerge with a deeper understanding of and appreciation for the Christian life equipped with timeless insights into the ups and downs of a life lived in the presence of God

Life in Tanganyika in the Fifties Godfrey Mwakikagile,2009 Life in Tanganyika in the 1950s and a look at race relations between whites and black Africans and others in this East African country are some of the subjects covered in the book It s full of human interest stories including the author s Born and brought up in Tanganyika the author writes from personal experience He also got the chance to ask many ex Tanganyikans a number of questions about life in Tanganyika in the fifties Many of them were born and brought up in Tanganyika during the same period the author was And many others went to Tanganyika as children but grew up there The ex Tanganyikans he contacted lived in different parts of the world including Tahiti Britain Australia New Zealand Canada Italy South Africa Zambia Zimbabwe the United States the Middle East and Russia among others And they all had interesting stories to tell about life in Tanganyika in the fifties The perspectives they provided and the memories they shared with the author about their lives in Tanganyika are some of the most interesting aspects of this book which focuses on one of the most important periods in the history of Africa The book is a primary source of information on how life was then in Tanganyika during one of the most important decades in the history of the country just before independence
