## **Crooked Cross Factor:**

Ice Flotilla Derek Hart, 2006-03 Ice Flotilla is a story about ordinary people caught up in the extraordinary horrors and challenges of World War Two. In the midst of this terrible conflict, human beings were also faced with many of life's seemingly mundane choices too. How they handled the pressures of war, the loss of loved ones, and still managed to discover their dignity during those tumultuous times is what this book is all about. With a world at war, love still made a difference in so many ways. Once again, Iceland was a major locale for one of Derek Hart's novels. Intrigued by the culture, the people, the landscape, and the history, the author felt motivated to write another book expounding the virtues and complexities of this fascinating nation. Follow the life and death struggle of Richard Hathaway and his son Ian during the dark days of World War Two.

**For Love or Honor Bound** Derek Hart, 2005-01-11 One hundred and thirty-seven years ago, the Countess Isabelle Sophia Barrio, diplomatic representative of Emperor Dom Pedro II of Brazil, sailed to war-ravaged America to negotiate with President Lincoln to allow Brazil to trade with the Confederate States of America. In fact, she was a Rebel spy, and instead of treaties, Sophia was after Union secrets. What she found instead was intrigue and murder. Fleeing for her life, Sophia was rescued by Captain Robert Norton, a Confederate cavalry officer. Thus began a torrid love affair with strategic implications.

Tracks of the Predator Derek Hart, 2003-09-08 Mike Rejest is a dedicated Special Agent for the Bureau of Land Management, BLM, out of Albuquerque, New Mexico. He is responsible for the Southwest region and has over 35 law enforcement officers reporting to him. Over the past year, however, he has detected an ominous trend developing. It appears as if an environmental terrorist may be operating from somewhere in the 4-state territory. Rejest oversees Cattle barons who have been executed in the night; corporations suddenly destroyed by unexplained explosions; even the unsolved murder of several of his field operatives and government trappers. Throughout the West, a terrible legend is being created of a ghost rider on a silent horse coming in the night to deliver swift and exacting punishment. His victims are from all walks of life, all ages, both sexes. So begins the struggle between an agent of the law and a messenger of retribution. The action spreads through New Mexico, Colorado, Utah, and Arizona, covering the last remaining wilderness areas of the Southwest. Battle lines are drawn, and friendships challenged as the environment takes center stage before the public once again. Finally frustrated by the failure of everyone else, Rejest gathers his own team of trusted fellow BLM Rangers. They set out to hunt down the stranger in the New Mexico wilds, only to discover that they are being pursued instead. The difference between predator and prey grows murky, only separated by the quickness of reflexes and the caliber of firearms. *H. A. L. O* Derek Hart, 2003-07 When orders came through for David Lockhart to gather his team together for another top secret mission, he thought nothing of it. It came from the proper source, within proper channels, encoded with the latest series of ciphers. Everything seemed in order. It was not. The mission was a one-way ticket to oblivion, and the ambush MESA walked into took every life of the team. All except one. Yup, you guessed it. David Lockhart managed to shoot his way out, a combination of skills, training, and a beautiful woman. For the

perpetrators of this betrayal of one of the most successful covert teams in American history David Lockhart's survival was not a good thing No it was not a good thing For now Lockhart was mad Not the raging red faced out of control irrational type of mad You see David Lockhart wasn't like that His anger was far more dangerous for his outlet was directed at planning cold and calculating analysis of what went wrong Just be certain that revenge would be his An Experiment to Test the Nature of the Variations on which Selection Acts Fernandus Payne,1918 *Dust Jacket* Derek Hart,2003-05-06 I'm afraid I may have become a Hart addict Kaththea Spurlock LoveRomances.com Connor MacLean is a rare book dealer Connor is a successful businessman respected by his peers and considered an expert in the field MacLean attends an estate sale in an affluent Chicago suburb where he intends to purchase a number of one of a kind items This sets the stage for a hidden map possibly revealing the location of a fabulous treasure hidden from the Nazis during the opening days of WWII The map exists and several people think it's worth killing for Travel across the United States to a former POW camp for Axis prisoners where clues are hidden to a whitewater chase on the Wolf River in Wisconsin Help MacLean and Elena his assistant and lover decipher the code that will lead them to the treasure or possibly to their deaths While MacLean deals with an ex wife alcoholic father crotchety grandfather jealous rival book dealers and neo Nazis led by a former German air ace you will wonder what can go wrong next All the action leads to a series of plot twists unexpected developments and the final confrontation on Lake Prespa in Macedonia **Contributions from the Zoölogical Laboratory of the Indiana University**,1921 **Dimensions of Political Alienation in America** William M.
