Crossing The Boundary What Will Women Priests Mean:

Crossing the Boundary Sue Walrond-Skinner, 1994 These essays mark the occasion of the first ordinations of women to the priesthood in the Church of England The book explores how the Church might change as a result of this historic event

When Women Become Priests Kelley A. Raab, 2000 In an analysis that deftly unites feminist criticism psychoanalysis and Catholic theology Kelley Raab explores the symbolic implications of women at the altar providing rich insight into issues of gender symbolism and power

Women Priests, Symbolic Violence, and Symbolic Resistance Sharon Jagger, 2025-02-26 This book explores from a feminist sociological viewpoint the ways gender is constructed in the priesthood in the Church of England and the political emotional and spiritual resources generated by women priests in their resistance praxis against a discriminating structure Despite the increasing numbers of women being ordained the Church continues to structurally support and legitimise the view that the priesthood should be exclusively male and women priests still experience gender discrimination and or differentiation Drawing on Bourdieu's notion of symbolic violence the book aims to fill a gap in the research literature by showing how women priests do not necessarily misrecognise or collude in their domination but engage in hidden resistances and subversions Based on empirical research the study reveals that whilst there are barriers to protesting and complaining in conventional ways there are also significant resistances in how women priests perform their role The themes addressed are relevant for sociologists of religion and scholars of gender and women's studies as well as those with an interest in theology and Christian ministry

Gender and Discourse Clare Walsh, 2016-02-17 Real Language Series General Editors Jennifer Coates Jenny Cheshire Euan Reid This is a sociolinguistics series about the relationships between language society and social change Books in the series draw on natural language data from a wide range of social contexts The series takes a critical approach to the subject challenging current orthodoxies and dealing with familiar topics in new ways Gender and Discourse offers a critical new approach to the study of language and gender studies Women moving into the public domains of power traditionally monopolised by men are creating new identities for themselves and the language that is used by them and about them offers an insight into gender roles Clare Walsh reviews the current dominance difference debates and proposes a new analytical framework which combines the insights of critical discourse and feminist perspectives on discourse to provide a new perspective on the role of women in public life A superbly accessible book designed for students and researchers in the field the book features topical case studies from the arenas of politics religion and activism a new analytical framework also summarised in chart form so the reader can apply their own critical analyses of texts written and visual text types for the reader's own linguistic and semiotic analysis This important book takes up a neglected question in the study of language and gender what difference women make to the discourse of historically male dominated institutions and brings to bear on it both the insights of feminist scholarship and evidence from women's own testimony Clare Walsh's analysis of the dilemmas women face is both subtle and incisive taking us beyond popular Mars

and Venus stereotypes and posing some hard questions for fashionable theories of language identity and performance

Religious Traditions and Personal Stories Uta Blohm, 2005 Women in roles of religious leadership represent a relatively new phenomenon within Judaism and Christianity and to some extent a break with traditional assumptions The study gives insight into how women are defining themselves as religious leaders and women within the context of patriarchal religion The research is based on 50 qualitative interviews with women rabbis Anglican priests and other Christian ministers Some of the issues discussed concerning role ordination and tradition are unrelated to gender Christian interviewees describe their journeys into the ministry or priesthood predominantly as experiences of vocation whereas rabbis choose the rabbinate out of an interest in Jewish studies and in the role itself With regard to gender women across the religious divide are facing opposition and are dealing with similar religious questions of inclusive language or the impact of traditional female roles

Gender and Ministry in Early Christianity and the Church Today Adolphus Chinedu Amadi-Azuogu, 2007-04-26 In certain Christian religions especially Roman Catholicism there is an undeniable link between the male gender and the exercise of particular ministry roles The Catholic Church has reserved ordination to the priesthood for men only thereby making the female gender incompatible with priesthood The Anglican Church on the other hand creates equal access for both genders by eradicating this line of separation Here we see two churches two biblical interpretations and two approaches to ministry In the light of this apparent contradiction Gender and Ministry in Early Christianity and the Church Today examines to what degree Paul and the early church accepted the ministry of women Ultimately the book argues that the presentation of the Christian God as interested in gender and ministry is a standard case of anthropomorphism The overwhelming pieces of evidence examined in this work do not support any sexist approach to ministry rather the book concludes that women should not be excluded from any aspect of the ministry of the Christian church **Women &**

Christianity: From the Reformation to the 21st century Mary T. Malone, 2001 Students and scholars of Christian history will find Women Christianity a refreshing and valuable resource Women Christian or otherwise who seek an understanding of their past and their present will also find this book helpful **BOOK JACKET** **A History of Women and Ordination**

Bernard J. Cooke, Gary Macy, 2002 For non specialist readers the series offers scholarly research on the role of women in Christian ministry and the changing shape of ministry in Christian history In the first volume Gary Macy theology and religious studies U of San Diego discusses the ordination of women in the early middle ages and John Hilary Martin Dominican School of Philosophy and Theology Berkeley California looks at the ordination of women and the theologians in the Middle Ages Annotation copyrighted by Book News Inc Portland OR **Double Blessing** Sue Walrond-Skinner, 1998

Examining the clergy marriage in general this text looks at the effects of women's ordination on dual clergy marriages their careers and family life It is based on research done on clergy couples during the time leading up to and immediately after the ordination of women Consecrated Women? Jonathan Baker, 2004 Debate is raging behind the closed doors of the

Rochester Commission over whether women priests can become bishops This volume offers the views of those for and those against as well as providing information for those who do not know the issues involved *Grace in the Rearview Mirror*

Kelly Demo,Mary Luck Stanley,Samantha Vincent-Alexander,Melissa Q. Wilcox,2023-04-28 These stories are poignant inspiring moving and above all real Michael Curry Have you ever wondered if God is missing in the mundane Four women priests have found God in the most unexpected places in a dive bar at the drugstore and even at the grave As we go about our everyday lives the divine can feel elusive grappling with the realities of cancer infertility treatments searching for a birth story and honoring the divine in a child with autism Yet God was there all along This book is a guide to help you name God s presence in your own history Reflection questions and instructions are included for writing and sharing your spiritual autobiography in the hope that you too discover grace in the rearview mirror **Women and Religion in Britain Today**

Yvonne Bennett,2023 Little is written about the lived religious lives of women in 21st century Britain The authors of this book seek to address this gap by exploring contemporary women s spirituality in Britain As the authors inhabit different academic fields we bring together an interdisciplinary collection of voices to address this subject We examine a range of ways in which religion continues to impact the lives of women in Britain today The chapters of this book examine the manner in which religion and spirituality continue to impact women s lives and by doing so we offer a heterogeneous look at religion in the 21st century We not only tackle the spirituality of our research participants but by writing about our experiences as women being spiritual we offer a hybrid academic practitioner viewpoint From Islamic marriage laws to the ordination of female Anglican clergy we focus on the concept of belonging or not through culture and the use of female only spaces and organisations Belonging is an important social motive the need for acceptance and belonging is a fundamental concept that drives behaviours Exploring how we belong grants an understanding of how choices are made both by the individual and the group New Books on Women and Feminism ,1996 *Index to Book Reviews in Religion* ,1995 **Passing on the Rites**

of Passage Thera Rasing,1995 This book aims to contribute to current debates over initiation rites in the context of the Catholic church The amalgamation of traditional initiation rites and Catholic dogma has not been studied before by anthropologists Initiation rites are presently performed by women s church groups which are lay groups centered around a church The specific ideas and practices related to these rites are the main subject of this book An initiation rite performed by members of a women s church group located in an urban Roman Catholic community in Zambia is described here in detail

Women in the Sex Texts of Leviticus and Deuteronomy Deborah L. Ellens,2008-03-04 This text compares two groups of sex laws in the Bible and reveals factors more narrowly focused than the general desire to control social behaviour

Crossing Cultural Boundaries Solon Toothaker Kimball,James Bennett Watson,1972 *The Spirit of Missions* ,1926 Includes the proceedings of the annual meeting of the Society **The Tradition of Female Transvestism in Early**

Modern Europe Rudolf Dekker,Lotte van de Pol,1989 In 17th and 18th century Europe especially in Holland England and

Germany many women chose to dress and live as men Based upon 119 well documented Dutch cases of female transvestism this study reveals how these women adapted to male life and why Special attention is devoted to transvestism by one partner as the only way in which lesbian love was conceivable during the time St. Andrew's Cross ,1910
