Crossing The Plate The Upswing In Runs Scored By Major Leag:

Crossing the Plate Russell O. Wright,1998 Batters in the 1990s are increasingly swinging for the fences and also whiffing at air and nowhere is that more evident than at mile high Coors Field in Denver where the Colorado Rockies play arcade baseball But the Rockies aren t the only team hitting home runs and crossing the plate in record numbers in fact it s a league wide trend This unique reference compares the 1993 97 offensive surge with prior offensive peaks in the 1920s and 1930s Combining baseball history with data not available elsewhere it explains the origins of the 1993 97 increase in offense and follows the trend into the future The work is divided into four parts League Comparisons Team Comparisons Team Summaries and The Future In 69 tables and 15 figures league and team records for eight basic measures are ranked

Dominating the Diamond Russell O. Wright,2002 Here are the nineteen baseball teams from the whole of the 20th century with the most dominant single seasons The criteria for selection include leadership in winning percentage runs scored home runs ERA and differential runs When the requirement of winning a World Series title is added to the criteria only twelve teams meet the standards but the author also includes seven other prime contenders The introduction and Part I describe the selection process the teams that made the cut the 1927 Yankees 1944 Cardinals 1939 Yankees 1937 Yankees 1903 Red Sox 1955 Dodgers 1936 Yankees 1984 Tigers 1938 Yankees 1905 Giants 1917 White Sox 1976 Reds 1974 Dodgers 1995 Indians 1921 Yankees 1906 Cubs 1952 Dodgers 1953 Dodgers and the 1982 Brewers and the teams that did not Parts II through V discuss the game over four periods from 1901 through 2000 and provide in depth discussion of the dominant teams Part VI shows how difficult it is for teams to emerge dominant in today s game

International Sport: A Bibliography, 1995-1999 Richard William Cox,2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly

difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new **Chronology of Housing in the United States** Russell O.

Wright,2024-10-15 This chronology explores the development of housing in the United States from the arrival of the first settlers through the present day It traces America s growth from its rural beginnings to its present suburban sprawl and discusses how the nation has dealt with the three major issues of housing development water supply sanitation and to a continually decreasing degree defense Additional topics include the effects of technological advances in the field of transportation the influence of political issues such as the Civil War especially emancipation the entry of the government into housing finance and the continued influx of immigrants **The Business of Baseball** Albert Theodore Powers,2015-10-03
