Crossing the Stream Elizabeth-Irene Baitie,2022-06-07 A powerful coming of age story of self discovery and overcoming fear Kirkus Reviews starred review Ato hasn't visited his grandmother's house since he was seven He's heard the rumors that she's a witch and his mother has told him he must never sit on the old couch on her porch Now here he is on that exact couch with a strange looking drink his grandmother has given him wondering if the rumors are true What's more there's a freshly dug hole in her yard that Ato suspects may be a grave meant for him Meanwhile at school Ato and his friends have entered a competition to win entry to Nnoma the island bird sanctuary that Ato's father helped created But something is poisoning the community garden where their project is housed and Ato sets out to track down the culprit In doing so he brings his estranged mother and grandmother back together and begins healing the wounds left on the family by his father's death years before And that hole in the yard It is a grave but not for the purpose Ato feared and its use brings a tender celebratory ending to this deeply felt and universal story of healing and love from one of Ghana's most admired children's book authors *Crossing the stream.
