## **Crossing Jordans River Lift Every Voice:**

*Lift Every Voice and Sing II* Pew Edition Church Publishing Incorporated, 1993-01-01 This popular collection of 280 musical pieces from both the African American and gospel traditions has been compiled under the supervision of the Office of Black Ministries of the Episcopal Church. It includes service music and several psalm settings in addition to the Negro spirituals, gospel songs and hymns. *The Living Church*, 2003-07 *Modernism's Metronome* Ben Glaser, 2020-11-03 Despite meter's recasting as a rigid metronome, diverse modern poet critics refused the formal ideologies of free verse through complex engagements with traditional versification. In the twentieth century, meter became an object of disdain, reimagined as an automated metronome to be transcended by new rhythmic practices of free verse. Yet meter remained in the archives, poems, letters, and pedagogy of modern poets and critics. In *Modernism's Metronome*, Ben Glaser revisits early twentieth-century poetics to uncover a wide range of metrical practice and theory upending our inherited story about the breaking of meter and rise of free verse. **Great Sacred Music** Samuel Wells, Andrew Earis, 2025-01-16 Great Sacred Music, a free lunchtime event of spoken word and music for choirs and congregations, is a regular feature of the life at witness of St Martin in the Fields. Each week a themed programme is offered which combines music with stories of how the pieces came to be written and some reflections on the theme. As well as a celebration of music, it has proved to be instrumental in the mission of St Martin's, attracting many people to the church. **The Expanded Bible** Thomas Nelson, 2011-11-07 Explore the Depths of the Scriptures While You Read. Expect understanding. Experience the full meaning of God's Word. The Expanded Bible has been developed by a respected team of skilled Bible translators to make God's Word easier to understand and more relevant and real for today's Christian with innovative expansions in the text itself that exhibit the complete meaning of each passage in its context while you read. Perceive what God is saying in language that's easy to understand. Discover the significance of each passage with helpful expansions in the text. Comprehend full meaning with alternative literal and traditional wordings. Understand the Bible's culture and setting with descriptive comments where needed. Compare scripture with scripture using key cross references. Add your own expansions and observations in wide margins on every page. Part of the Signature Series line of Thomas Nelson Bibles. Contributing scholars: Tremper Longman III, Mark L. Strauss, Daniel Taylor. **Black Acting Methods** Sharrell Luckett, Tia M. Shaffer, 2016-10-04 Black Acting Methods seeks to offer alternatives to the Euro-American performance styles that many actors find themselves working with. A wealth of contributions from directors, scholars, and actor trainers address Afrocentric processes and aesthetics, and interviews with key figures in Black American theatre illuminate their methods. This ground-breaking collection is an essential resource for teachers, students, actors, and directors seeking to reclaim, reaffirm, or even redefine the role and contributions of Black culture in theatre arts.
