book for anyone and everyone who wants to make this sacred passage with ease and grace **The Art of Dying Well**
Robert Bellarmine, 2017-10-26 Excerpt CHAPTER I HE WHO DESIRES TO DIE WELL MUST LIVE WELL I NOW commence the rules to be observed in the Art of dying well This art I shall divide into two parts in the first I shall speak of the precepts we must follow whilst in good health in the other of those we should observe when we are dangerously ill or near death s door We shall first treat of those precepts that relate to virtue and afterwards of those which relate to the sacraments for by these two we shall be especially enabled both to live well and to die well But the general rule that he who lives well will die well must be mentioned before all others for since death is nothing more than the end of life it is certain that all who live well to the end die well nor can he die ill who hath never lived ill as on the other hand he who hath never led a good life cannot die a good death The same thing is observable in many similar cases for all that walk along the right path are sure to arrive at the place of their destination whilst on the contrary they who wander from it will never arrive at their journey s end They also who diligently apply to study will soon become learned doctors but they who do not will be ignorant But perhaps some one may mention as an objection the example of the good thief who lived ill and yet died well This was not the case for that good thief led a holy life and therefore died a holy death But even supposing he had spent the greater part of his days in wickedness yet the other part of his life was spent so well that he easily repented of his former sins and gained the greatest graces For burning with the love of God he openly defended our Saviour from the calumnies of His enemies and filled with the same charity towards his neighbour he rebuked and admonished his blaspheming companion and endeavoured to convert him He was yet alive when he thus addressed him saying Neither dost thou fear God seeing thou art under the same condemnation And we indeed justly for we receive the due reward of our deeds but this man hath done no evil St Luke 23 40 41 Neither was he dead when confessing and calling upon Christ he uttered these noble words Lord remember me when thou shalt come into thy kingdom The good thief then appeared to have been one of those who came last into the vineyard and yet he received a reward greater than the first True therefore is the sentence He who lives well dies well and He who lives ill dies ill We must acknowledge that it is a most dangerous thing to deter till death our conversion from sin to virtue far more happy are they who begin to carry the yoke of the Lord from their youth as Jeremiah saith and exceedingly blessed are those who were not defiled with women and in whose mouth there was found no lie for they are without spot before the throne of God These were purchased from among men the first fruits to God and to the Lamb Apoc 14 4 5 Such were Jeremias and St John more than a prophet and above all the Mother of our Lord as well as many more whom God alone knoweth This first great truth now remains established that a good death depends upon a good life **Death of the Righteous, Or the Way of Holy Dying (Classic Reprint)** Jean La Placette, 2016-11-20 Excerpt from Death of the Righteous or the Way of Holy Dying Tan subject of death as it first strikes the human mind carries with it something terrifying to the fears unwelcome to the hopes and revolting to the minds of those who make the present uncertain state with all its sorrows and its separations

the object of their idolatrous attachment It is not so much the blow which severs the frail thread of life that excites their apprehension It is the uncertainty concerning their future and untried state of existence About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
