communication strategies robust performance management and a thriving team culture in remote environments The book highlights that remote teams require a fundamentally different management approach than co located teams Did you know that poor communication can lead to project delays and ineffective performance management can decrease productivity This career guide begins by establishing a foundation in remote team dynamics then explores technology s role in facilitating collaboration with the right collaboration tools Subsequent chapters delve into setting clear expectations providing feedback and fostering community The book intersects with organizational psychology communication studies and HR management offering a holistic perspective The book adopts a practical solution oriented approach presenting strategies grounded in research and real world case studies It introduces a novel framework for improving remote team effectiveness encompassing KPIs related to communication collaboration and employee engagement Ultimately the book equips team leaders project managers and HR professionals with the tools to build trust resolve conflicts and create a sense of belonging in virtual teams

Virtual Events Management Tim Brown,Claire Drakeley,2023-08-30 The COVID 19 pandemic and resulting lockdowns has seen a boom in the occurrence of virtual events Virtual Events Management is a unique text as it looks at events from both a live event virtual event and hybrid perspective *Project Leadership and Team Building in Global Project Management* Pranav Bhola,2017-01-20 Engineering businesses today run through projects Projects are successful when we have effective project leadership which builds effective teams and teams All these attributes increase the performance of the organization and enable it to achieve competitive advantage Project management is the need of today s businesses for acquiring business development and attaining business performance in local as well as in global markets as business performance is driven by competitive advantage which is possible through successful project management Development of new products and other competitive products and services is done through the implementation of projects Projects are deployed for process improvements which further add to the profitability and growth of the business This book discusses the aspects of project management processes project leadership and team building in context to project management together which improves business performance Student Agency in Devised Theatre Education Mike Poblete,2025-02-27 This monograph argues that implementing devised theatre as a learning praxis has a unique potential to cultivate student agency in the twenty first century classroom It offers actionable guidance for drama instructors by providing a new arts education methodology that emphasizes the role of student led dramaturgy Based on quantitative and qualitative analyses of survey results group interviews and field observations from the facilitation of two original pieces of digital devised theatre created by Pacific Islander and Asian American public high school students on Oahu the author documents the crucial roles of constructive and resisting student agency in a devised theatre classroom This book then departs from established research in suggesting that passivity serves a crucial role in allowing students to assert agency nonconfrontationally which has considerable implications for peripatetic learners It also investigates the role of student agency in online theatre education

which along with expected challenges was found to produce unique benefits such as real time documented performance feedback and accessible asynchronous teacher guidance Further a new form of student agency is identified one exclusive to online learning environments where students assert themselves by discussing technological challenges such as slow Wi Fi camera malfunctions or other pragmatic concerns Finally this book makes a case that the success of these projects with Pacific Islander and Asian American students suggests that although devising comes from a White Eurocentric tradition it can provide an effective learning strategy for students from a wide variety of backgrounds As global discourse continues to push toward reform that would allow populations around the world increased agency over their lives this volume makes a unique contribution to the critical conversation around student agency in education today and will appeal to scholars and researchers across arts education and theatre and performance studies
