Mastering Virtual Teams Deborah L. Duarte, Nancy Tennant Snyder, 2011-02-02 This third edition of the best selling resource *Mastering Virtual Teams* offers a toolkit for leaders and members of virtual teams The revised and expanded edition includes a CD ROM with useful resources that allow virtual teams to access and use the book s checklists assessments and other practical tools quickly and easily Deborah L. Duarte and Nancy Tennant Snyder include updated guidelines strategies and best practices for working effectively with virtual teams across time and distance to see a project through The useful tools exercises and real life examples show how anyone can master the unique dynamics of virtual team participation in an environment where the old rules no longer apply **Quick Team-Building Activities for Busy Managers** Brian Cole Miller, 2015-03-25 Eliminate the need for time or resources on formal training and get your teams up and running themselves with only minutes of prep Between workplace personnel being more culturally diverse than ever before a generation of employees being raised attached to technology while avoiding human interaction and an increasing culture of competitiveness that is constantly raising tensions between cubicles it has become absolutely essential for managers to focus more on camaraderie and building team spirit Now in its second edition *Quick Team Building Activities for Busy Managers* addresses the problems that drag down group productivity and helps teams Collaborate successfully Cope with change Solve problems together Communicate better despite cultural and generational differences Boost creativity Leverage diversity Nurture healthy competition Each of the 50 team building activities in this invaluable resource takes only minutes to prep and uses only everyday office items to get its point across In just 15 minutes a day the results will be immediate sullen teams find sparkle nervous teams gain confidence teams of strangers get to know one another There are even activities to help the virtual team No one will be left out and all will leave the activity feeling better about their team and their individual role within it *Working Virtually: Challenges of Virtual Teams* Jones, Robert, Oyung, Rob, Shade Pace, Lise, 2005-04-30 Virtual teams have been used to leverage scarce and distributed resources for many years Expense reductions health epidemics air travel safety and complex supply chains have only intensified this need General best practices for leading and participating in virtual teams are well known but why are there still misconceptions about their effectiveness What drives the notion that face to face is always better How can groups and individuals take the most advantage of virtual teams through the appropriate use of technology *Working Virtually Challenges of Virtual Teams* provides an in depth practical perspective on the growing dependence of virtual teams and how to best exploit them Based on years of direct experience in managing and participating in virtual teams as well as developing solutions to help virtual teams be more effective the authors have provided unique insight that can be leveraged to help you get the most of your virtual teams *Virtual Teams That Work* Cristina B. Gibson, Susan G. Cohen, 2003-03-21 *Virtual Teams That Work* offers a much needed comprehensive guidebook for business leaders and managers who want to create the organizational conditions that will help virtual teams thrive Each chapter in

this important book focuses on best practices and includes case studies and illustrative examples from a wide variety of companies including British Petroleum Lucent Technologies Ramtech SoftCo and Whirlpool Corporation These real life examples demonstrate how the principles identified in the book play out within virtual teams Virtual Teams That Work shows how organizations can put in place the structure to help team members who speak different languages and have different cultural values develop effective ways of communicating when there is little opportunity for the members to meet face to face The authors also reveal how organizations can implement performance management and reward systems that will motivate team members to cooperate across multiple boundaries And they offer the information to determine which technologies best fit a variety of virtual team tasks and the level of information technology support needed
