Breaking Barriers, Building Futures

Hybrid Work Schedule Ideas For Men:

Masculinity, Marriage and Rural Men in Urban China Sarah Gosper, 2024-12-31 This book explores the conjuncture and interrelationship between three so called crises facing Chinese society a crisis of marriage a crisis of masculinity and a crisis of mobility Based on sustained ethnographic research on unmarried lower class rural men from two distinct social and class categories namely migrant workers employed in the food delivery and express mail delivery industries and tertiary educated white collar professionals the book reveals how the increasing socio economic precarity of rural men and their largely unrealised desires to marry and have children demonstrates a fundamental reconfiguration of Chinese masculinity and mobility in urban China and the social impact on central Chinese institutions The book also reveals the futile efforts to fulfil hegemonic models of masculinity in contemporary China and addresses the heterogeneity of unmarried lower class rural men as they navigate marriage manhood and mobility Exploring gender relations in China and contributing to global studies of heterosexual masculinities this book will appeal to students and scholars of Chinese culture and society gender studies and social anthropology

Why Men Win at Work Gill Whitty-Collins, 2020-08-01 Why are men still winning at work If women have equal leadership ability why are they so under represented at the top in business and society Why are we still living in a man s world And why do we accept it In this provocative book Gill Whitty Collins looks beyond the facts and figures on gender bias and uncovers the invisible discrimination that continues to sabotage us in the workplace and limits our shared success Addressing both men and women and pulling no punches she sets out the psychology of gender diversity from the perspective of real personal experience and shares her powerful insights on how to tackle the gender equality issue This book tells the inconvenient truth about the gender inequality issue providing some real deep insights into what truly gets in the way of driving diversity even in companies that are trying to do the right thing It may be uncomfortable reading for some but crucial for driving the needed change to create a long term advantage Paul Polman Founder Chair Imagine and Ex CEO Unilever
