doesn't know is that he's also using her word choices to fine tune the very technology that she fears might render her craft obsolete. As they grow closer, Henry finds himself in a moral quandary torn between his growing feelings for Gina and the innovative technology that could change the writing industry forever. Gina in turn is drawn to the charming barista with a passion for words, warning him against using AI and teaching him to write from the heart. Love is the last thing either one of them expects. As Gina grows curious about Henry's identity and Henry frets over his newest breakthrough, a hidden enemy forces his hand. Will the exploding truth destroy Henry and Gina's budding romance or inspire the greatest love story ever written?
