Your First Side Hustle Is In Danger: Read This Before It Dies Wesley Prescott,2025-12-06 Many people start a side hustle with excitement and good intentions only to watch it slowly fade away The idea feels promising the motivation is high but a few weeks later the energy drops clients never appear and the project quietly dies This book looks

directly at that uncomfortable reality and breaks down what actually goes wrong for most first time side hustlers. Instead of hyping overnight success, the book focuses on clarity and realism. It helps you choose a side hustle that fits your time, skills, and emotional bandwidth so you are not trying to copy someone else's life. You will explore how to test an idea before pouring hours into it, how to set simple systems for tracking time and money, and how to communicate your value even when you feel like a beginner. The book also addresses burnout, inconsistent motivation, and the guilt of juggling work, family, and a new project. Through practical examples and honest reflections, you see why working harder is rarely the answer and why small, consistent actions matter more than dramatic pushes. By the end, you gain a realistic view of what it takes to keep your first side hustle alive long enough to see real results while avoiding the most common and costly mistakes.

Passive Income Playbook Sreekumar V T, 2025-06-09. Imagine waking up each morning with money already flowing into your bank account without rushing to a job, clocking in, or checking emails before your first cup of coffee. **Passive Income Playbook: 7 Proven Strategies to Make Money While You Sleep** is your practical guide to turning that dream into a reality. This book takes you behind the scenes of financial freedom, revealing seven time-tested methods that allow everyday people to generate income with minimal ongoing effort.
