Invisible to Invaluable Jane Evans,Carol Russell,2021-05-27 Our generation is something the world has never seen before Women born between 1950 and 1975 were pioneers in all areas of work and society yet we have become almost completely invisible except to our families and friends right at the time the world needs our wisdom empathy and experience the most OUR TIME IS NOW INVISIBLE TO INVALUABLE is a celebration of what midlife women do who we are and what we are capable of It s a rallying cry for us to change the world for the better With personal stories exciting research and insights from a cast of inspirational women Jane Evans and Carol Russell s manifesto blows open the ageism that s sidelined midlife women at work and in society and sets out an empowering vision for a world where we can unlock our full potential In a collection of chapters that range from the powerful to the playful and from the distant past to a brighter future Jane and Carol show how there is no longer just young and old there is a whole new middle that can be the best time of our lives Even if we feel like we ve hit rock bottom or have disappeared entirely there is a way back This book will remind you how far we ve come show you what we re made of and demonstrate how we can create a better future for all of us *The Power of Crisis* Ian Bremmer,2022-05-17 New York Times Bestseller Renowned political scientist Ian Bremmer draws lessons from global challenges of the past 100 years including the pandemic to show how we can respond to three great crises unfolding over the next decade In this revelatory unnerving and ultimately hopeful book Bremmer details how domestic and international conflicts leave us unprepared for a trio of looming crises global health emergencies transformative climate change and the AI revolution Today Americans cannot reach consensus on any significant political issue and US and Chinese leaders behave as if they re locked in a new Cold War We are squandering opportunities to meet the challenges that will soon confront us all In coming years humanity will face viruses deadlier and more infectious than Covid Intensifying climate change will put tens of millions of refugees in flight and require us to reimagine how we live our daily lives Most dangerous of all new technologies

will reshape the geopolitical order disrupting our livelihoods and destabilizing our societies faster than we can grasp and address their implications The good news Some farsighted political leaders business decision makers and individual citizens are already collaborating to tackle all these crises The question that should keep us awake is whether they will work well and quickly enough to limit the fallout and most importantly whether we can use these crises to innovate our way toward a better world Drawing on strategies both time honored and cutting edge from the Marshall Plan to the Green New Deal The Power of Crisis provides a roadmap for surviving even thriving in the 21st century Bremmer shows governments corporations and every concerned citizen how we can use these coming crises to create the worldwide prosperity and opportunity that 20th century globalism promised but failed to deliver Newsweek ,2009 Country Guide and Nor'west Farmer ,1911
