Artificial Amy Kurzweil, 2023-10-17 Winner of the Living Now Book Award Finalist for the American Book Fest Best Book Awards A visionary story of three generations of artists whose search for meaning and connection transcends the limits of life How do we relate to and hold our family's past Is it through technology Through spirit Art poetry music Or is it through the resonances we look for in ourselves In *Artificial* we meet the Kurzweils a family of creators who are preserving their history through unusual means At the center is renowned inventor and futurist Ray Kurzweil who has long been saving the documents of his deceased father Fredric an accomplished conductor and pianist from Vienna who fled the Nazis in 1938 Once Fred's life was saved by his art an American benefactor impressed by Fred's musical genius sponsored his emigration to the United States He escaped just one month before Kristallnacht Now Fred has returned Through AI and salvaged writing Ray is building a chatbot that writes in Fred's voice and he enlists his daughter cartoonist Amy Kurzweil to help him ensure the immortality of their family's fraught inheritance Amy's deepening understanding of her family's traumatic uprooting resonates with the creative life she fights to claim in the present as Amy and her partner Jacob chase jobs and each other across the country Kurzweil evokes an understanding of accomplishment that centers conversation and connection knowing and being known by others With Kurzweil's signature humanity and humor in boundary pushing gorgeous handmade drawings *Artificial* guides us through nuanced questions about art memory and technology demonstrating that love a process of focused attention is what grounds a meaningful life

The Lin Piao Affair (Routledge Revivals) Michael Y.M. Kau, 2016-06-17 First published in 1975 this book is concerned with the facts and implications of the case of Lin Piao and his army as well as with the broader question of military intervention in the authoritarian polity of developing countries A wide range of materials is presented including top secret documents of the CCP Central Committee Lin Piao's own writings and speeches from the 1966-1970 period pertinent material from the Tenth Party Congress and press criticism In their introduction the author provides a thorough critical analysis of the case of Lin Piao and of the dynamic of power politics that emerged from the Cultural Revolution in the late 1960s

The Routledge Handbook of Translation Technology and Society Stefan Baumgarten, Michael Tieber, 2025-10-08 The Routledge Handbook of Translation Technology and Society offers the first comprehensive and critical exploration of translation technologies in the context of globalised multilingual societies within an increasingly AI dominated world This handbook calls for a fundamental rethinking of traditional approaches to translation examining the ethical ideological socioeconomic and environmental implications of digital tools and practices such as professional AI driven translation everyday machine translation crowdsourcing translation or platform based translation work It provides deep insights into pressing issues such as the commodification of language inclusivity in so called low resource languages data colonialism and labour exploitation By questioning conventional science narratives and advocating for sustainable inclusive and equitable applications of translation

technologies this handbook empowers readers to engage critically with current trends and challenges in the digital age. Readers will benefit from an interdisciplinary approach that combines novel theoretical foundations with empirical research and practical case studies. It serves as a foundational reference and a springboard for critical future research in an evolving sociotechnical translation ecosystem where the blurring boundaries between human and machinic agents foster new modes of translator machine interaction. This handbook is an essential resource for academics, researchers and professionals in translation studies, digital humanities, science and technology studies or digital discourse studies.
