## **Crisis Challenge And Change Party And Class In Canada Revisited:**

**Crisis, Challenge and Change** M. Janine Brodie, Jane Jenson, 1988      Canadian Parties in Transition, Third Edition  
Alain G. Gagnon, Brian Tanguay, 2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book      State and Party in America's New Deal Kenneth Finegold, Theda Skocpol, 1995 A historically grounded and theoretically informed analysis of two major governmental interventions into the US economy the National Recovery Administration and the Agricultural Adjustment Administration Working back and forth between theories of politics in advanced capitalist democracies and the two concrete historical trajectories the authors argument is that the origins implementation and consequences of the NRA and AAA are best explained with a historical institutionalist state and party centered approach Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR      The Canadian Party System Richard Johnston, 2017-09-01 The Canadian party system is a deviant case among the Anglo American democracies It has too many parties it is susceptible to staggering swings from election to election and its provincial and federal branches often seem unrelated Unruly and inscrutable it is a system that defies logic and classification until now In this political science tour de force Richard Johnston makes sense of the Canadian party system With a keen eye for history and deft use of recently developed analytic tools he articulates a series of propositions underpinning the system Chief among them was domination by the centrist Liberals stemming from their grip on Quebec which blocked both the Conservatives and the NDP He also takes a close look at other peculiarities of the Canadian party system including the stunning discontinuity between federal and provincial arenas For its combination of historical breadth and data intensive rigour The Canadian Party System is a rare achievement Its findings shed light on the main puzzles of the Canadian case while contesting the received wisdom of the comparative study of parties elections and electoral systems elsewhere      Comparative Issues in Party and Election Finance F. Leslie Seidle, 1991-01-01 This book is one of 23 volumes of research commissioned by the Royal Commission on Electoral Reform and Party Financing and one of five volumes within this series dealing specifically with party and election finance      Crisis, Challenge and Change Janine Brodie, 1988-10-15      **Continentalizing Canada** Gregory J. Inwood, 2005-01-01 Free trade has been a highly contentious issue since the Conservative government of Brian Mulroney negotiated the first deal with the United States in the 1980s

Tracing the roots of Canada's contemporary involvement in North American free trade back to the Royal Commission on the Economic Union and Development Prospects for Canada in 1985 also known as the Macdonald Commission Gregory J Inwood offers a critical examination of the commission and how its findings affected Canada's political and economic landscape including its present day reverberations Using original research including content analysis interviews archival information and surveys of relevant literature Inwood argues that the Macdonald Commission created an atmosphere and political discourse that made the continentalization of Canada possible by way of free trade agreements with the U S and Mexico Through the use of a suspect research program and with the aid of a select oligarchy within the Commission and the government bureaucracy opposition to continentalism from both the majority of the Canadian population and even several commissioners was ignored Accessible to readers interested in Canadian politics policy or economy *Continentalizing Canada* offers a thorough examination into the Macdonald Commission and the resulting discourse in the Canadian political economy

Politics in Manitoba Christopher Adams, 2008-09-15 *Politics in Manitoba* is the first comprehensive review of the Manitoba party system that combines history and contemporary public opinion data to reveal the political and voter trends that have shaped the province of Manitoba over the past 130 years The book details the histories of the Progressive Conservatives the Liberals and the New Democratic Party from 1870 to 2007 Adams looks in particular at the enduring influence of political geography and political culture as well as the impact of leadership campaign strategies organizational resources and the media on voter preferences Adams also presents here for the first time public opinion data based on more than 25 000 interviews with Manitobans conducted between 1999 and 2007 He analyzes voter age gender income education and geographic location to determine how Manitobans vote In the process Adams dispels some commonly held beliefs about party supporters and identifies recurring themes in voter behaviour

**Canadian Parties in Transition** Brian Tanguay, Alain Gagnon, 1996 **Canadian Parties in Transition** Alain Gagnon, Brian Tanguay, 2007 Alain G Gagnon and A Brian Tanguay present a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists The Canadian Political Tradition Ron S. Blair, Jack MacLeod, 1993 **Party Politics in Canada** Hugh G. Thorburn, 1991 Studies in Political Economy, 2002

**Publishers Directory**, 1990 *Politics on the Boundaries* M. Janine Brodie, Roberts Centre for Canadian Studies, 1994

**Feminism and Politics** Joni Lovenduski, 2000 This text is part of a series which aims to bring together articles in the field of comparative politics It offers a collection of essays which provide a basis for understanding the established conceptual terrain and modern developments in the field of comparative political analysis This text presents volumes I and II and focuses on feminism and politics **Going Public** Mary Fainsod Katzenstein, 1990 **Bulletin - Société Québécoise de Science Politique**, 1988 **Commissioning Ideas** Neil John Bradford, 1998 Ranging from the triumph of Keynesianism in the 1940s to the resurgence of neo liberalism in the 1990s this book examines the intellectual political dynamics of major

economic policy innovations in Canada It sheds new light on federal policy development in Canada and offers a unique comparative perspective on national patterns of economic change      **The Politics of Abortion** M. Janine Brodie, Shelley A. M. Gavigan, Jane Jenson, 1992 Critically examines the politics of abortion in Canada leading up to and after the historic Morgentaler decision
