

The Six-Step Crisis Intervention Model Explained

Crisis Intervention In Social Services

Albert R. Roberts

Crisis Intervention In Social Services:

Crisis Intervention in Social Services Kieran O'Hagan, 1986-06-06 This book could only have been written by a social worker. It is full of energy, laced with pathos and humour, and the warts are not only visible but highlighted. It offers a thoughtful, down-to-earth view of crisis work in one social services team. Paul Reading, Oxford MIND

Crisis Intervention in Criminal Justice/social Service James Earnest Hendricks, 1991 *CRISIS INTERVENTION IN CRIMINAL JUSTICE/SOCIAL SERVICE* James E. Hendricks, Cindy S. Hendricks, 2014-04-01 This expanded new edition continues to demonstrate and provide theoretical, analytical, and practical knowledge for first responders. Face-to-face interaction with the client/victim is part of the comprehensive approach advocated by the book, which requires interveners to assess the nature of a crisis and the condition of the victim in order to determine the appropriate course of action. The comprehensive balance of theory and practice presented in this book should enable the intervener, in coupling his/her general knowledge of human psychology and emotional crisis with the specific and novel characteristics of various crisis situations. The text represents the work of national scholars who have expertise in criminal justice and social service issues. Their chapters focus on a Historical and Theoretical Overview, Ethics in Crisis Intervention, Practice, Intimate Partner Violence, Police Response to Domestic Violence, Children in Crisis, Elder Mistreatment, Suicide, Crisis of Rape, and Survivor Intervention, Death Notification, and the Theory and Practice of Delivering Bad News, Terrorism, and Crisis Intervention, and Mass Casualty Crisis Response and Communication. Helpful appendices in each chapter provide additional internet resources as well as a complete Model Law Enforcement Code of Ethics and Social Work Code of Ethics. This new edition retains important information while providing current case studies such as the Miracle on the Hudson River crash, the mass shootings at Virginia Tech, the Boston Marathon bombing, and the Yarnell Hill fire in Arizona. This exceptional book is designed for firefighters, police officers, community service officers, correctional workers, emergency medical workers, probation/parole officers, protective service workers, psychological counselors, social workers, and victim assistance workers, among others.

Handbook for Practice Learning in Social Work and Social Care Joyce Lishman, 2007-05-15 This substantially revised, expanded, and updated edition of the popular *Handbook of Theory for Practice Teachers* is a comprehensive summary of the theory, knowledge, research, and evidence relating to practice learning in social care, focussing on knowledge-based practice with a focus on improving outcomes.

Theoretical Perspectives for Direct Social Work Practice Peter Lehmann PhD, LCSW, 2007-10-22 Praise for the first edition: Finally, a social work practice text that makes a difference. This is the book that you have wished for but could never find. Although similar to texts that cover a range of practice theories and approaches to clinical practice, this book clearly has a social work frame of reference and a social work identity. Gayla Rogers, Dean of the Faculty of Social Work, University of Calgary. The major focus of this second edition is the same: to provide an overview of theories, models, and therapies for direct social work practice, including systems theory, attachment theory, cognitive-behavioral theory, narrative

therapy solution focused therapy the crisis intervention model and many more However this popular textbook goes beyond a mere survey of such theories It also provides a framework for integrating the use of each theory with central social work principles and values as well as with the artistic elements of practice This second edition has been fully updated and revised to include A new chapter on Relational Theory and newly rewritten chapters by new authors on Cognitive Behavioral Theory Existential Theory and Wraparound Services New critique of the Empirically Supported Treatment EST movement Updated information on the movement toward eclecticism in counseling and psychotherapy A refined conceptualization of the editors generalist eclectic approach

An Introduction to Applying Social Work Theories and Methods 3e Barbra Teater, 2019-12-02

The text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as psychosocial theories and concepts Each subsequent chapter then explores in detail how to implement theories and methods their strengths and limitations alongside case examples critical thinking questions and suggested further resources Key features Illustrative case studies Exercises Case examples Critical thinking questions Further readings resources Revised content including the addition of genograms and ecomaps This is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements The book is an updated third edition to a successful and established series The clarity with which Teater describes complex concepts for social workers is refreshing This book will help promote understanding and best practice whilst being firmly grounded in key theories It is a must have for all social workers wherever they practise Dr Jonathan Parker Professor of Society Social Welfare Bournemouth University UK This latest edition of Theories and Methods is as solid as its predecessors academically with a clear and easy to follow structure that makes it accessible in a way many such books are not I have used previous editions in many situations settings and levels and endorse this latest as a must have for anyone involved with social work Explanation is clear and the use of tables diagrams and cases bring the theory alive and enable users to realistically transfer theory to practice The use of exercise and questions provide a springboard to deeper learning as do the handy references and pointers to further reading at the end of each chapter Inclusion of sections such as the cultural and ethical considerations lend themselves to self analysis exploration and ultimately self development A dream of a book to work with as an academic tutor practice educator and trainer as well as student Michele Winter Independent Social Worker Teacher Trainer Social Care Training I can wholeheartedly recommend this revised and updated edition of Barbra Teater s highly successful book It remains essential reading for practitioners undergraduate and postgraduate students of social work The book provides a compelling and easily accessible analysis of key theories and methods It challenges both students and practitioners to consider and reconsider how they can apply theories and methods to practice more effectively Prof Hugh McLaughlin Manchester Metropolitan University UK What a great book Barbra Teater and colleagues have managed to bring together a wealth of learning about different theories and methods of

social work intervention in a clearly written and accessible format Each chapter is focused on the application of theory to practice and as such helps to act as a bridge from the classroom to direct work with individuals families and groups This new and updated edition is very likely to be one of those books that students have by their side throughout their studies and bring with them into professional practice after graduation Dr John Devaney Centenary Professor of Social Work University of Edinburgh UK

with anti oppressive practice Each chapter includes case examples critical thinking questions and suggested further resources Key features of this new edition include Illustrative case studies Exercises and case examples Critical thinking questions Further readings resources Revised content including a chapter on relationship based social work An Introduction to Applying Social Work Theories and Methods is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements Barbra Teater is Professor of Social Work at the College of Staten Island and is Executive Officer of the PhD Program in Social Welfare at The Graduate Center City University of New York USA

Crisis Intervention Handbook Albert R. Roberts, 2000 Crisis intervention has become the most widely used brief treatment modality in the world As a result of millions of acute crisis events occurring each year and impacting the lives of the general public interest in crisis intervention response teams and crisis management has grown tremendously in the past decade However there exists a limited amount of literature designed to give timely and comprehensive help for crisis workers This book fills that gap It is the first interdisciplinary handbook to prepare the crisis counselor for rapid assessment and timely crisis intervention in the 21st century In this classic volume Dr Roberts and 34 clinical experts and distinguished chapter authors have set the standard of care and treatment for persons in trauma and acute crises This handbook gives all professionals ready access to the specific guidelines practice techniques protective factors and resilience case study applications and crisis intervention strategies that are most appropriate for maximizing opportunities for rapid assessment and crisis resolution Now expanded and fully updated Crisis Intervention Handbook Assessment Treatment and Research Second Edition focuses on crisis intervention services for persons who are victims of natural disasters school based and home based violence violent crimes and personal or family crises Consisting of five parts it covers a broad array of subjects including psychiatric emergencies medical crises community wide disasters and high school shootings Part I provides an overview Part II addresses crisis assessment and intervention models for children and youths Part III explores crisis intervention and prevention for victims of violence Part IV describes crisis assessment and intervention in health and mental health related crises and Part V focuses on research and outcome studies on the effectiveness of crisis intervention programs throughout the world In the current managed care era of accountability and utilization of best practices every practitioner will find this handbook indispensable and essential reading It applies a unifying model of crisis intervention making it appropriate for front line crisis workers clinical psychologists social workers psychiatric mental health nurses counselors and graduate students who need to know the latest steps and methods for intervening effectively with persons experiencing a full blown crisis episode

Social Work Treatment 4th Edition Francis J. Turner, 1996-09-01

Treatment In Crisis Situations Naomi Golan, 1998-10 Treatment Approaches in the Human Services is a new series of books by distinguished social work practitioners and educators prepared under the general editorship of Francis J Turner Its objective is to present both the theoretical basis and the direct practice implications of the various

thought systems upon which clinicians draw in their work and to make this rich accumulation of theory and methods accessible not only to social workers but to practitioners in other helping professions as well The books are also intended for the student professional the senior scholar and the teacher of professionals providing a bridging resource between practice and theory development Each volume in the series analyzes the conceptual base of a particular intervention strategy or set of therapeutic procedures identifies its theoretical origins compares it to other thought systems and explains and describes in concrete detail how it is applied in practice Further it identifies the areas of on going and needed research to make that approach an even more useful tool to the clinician

Crisis Intervention Handbook Kenneth Yeager,Albert Roberts,2015-04-30 Expanded and fully updated the Crisis Intervention Handbook Assessment Treatment and Research Fourth Edition focuses on crisis intervention services for persons who are victims of natural disasters school based and home based violence violent crimes and personal or family crises It applies a unifying model of crisis intervention making it appropriate for front line crisis workers clinical psychologists social workers psychiatric mental health nurses and graduate students who need to know the latest steps and methods for intervening effectively with persons in acute crisis

Social Work Treatment Francis J. Turner,2011-03-15 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty

Social Service Teams Great Britain. Department of Health and Social Security,Great Britain. Department of Health and Social Services, Northern Ireland,Great Britain. Social Work Services Group,1978

Community Mental Health in the Social Work Curriculum Allen Rubin,1979

Social Work Intervention Trevor Lindsay,2013-03-19 Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning Social workers need to have a sound working knowledge of intervention as they are often balancing complex and sometime stressful circumstances with the individual needs of the service users Also as there are a wide range of social work interventions in current practice students will benefit from knowing the advantages and disadvantages of each model and approach This book on effective social work intervention will help students apply and integrate this knowledge in

practice to critically evaluate different methods and to choose the most effective in any particular set of circumstances Fully revised to include new material on value based practice and direct links to the new Professional Capabilities Framework for Social Work this second edition is essential reading for all social work students **A Guide to Information Sources for Social Work and the Human Services** Henry N. Mendelsohn, 1987

Whispering the Strategies of Language: An Emotional Journey through **Crisis Intervention In Social Services**

In a digitally-driven world wherever displays reign supreme and immediate transmission drowns out the subtleties of language, the profound secrets and mental nuances hidden within phrases usually get unheard. However, set within the pages of **Crisis Intervention In Social Services** a captivating literary treasure pulsing with fresh emotions, lies an exceptional journey waiting to be undertaken. Written by a talented wordsmith, this marvelous opus encourages readers on an introspective trip, gently unraveling the veiled truths and profound impact resonating within the very fabric of each and every word. Within the mental depths of this poignant review, we can embark upon a genuine exploration of the book's primary subjects, dissect its interesting publishing fashion, and fail to the strong resonance it evokes deep within the recesses of readers' hearts.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Crisis Intervention In Social Services eBooks, including some popular titles.

FAQs About Crisis Intervention In Social Services Books

What is a Crisis Intervention In Social Services PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Crisis Intervention In Social Services PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Crisis Intervention In Social Services PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Crisis Intervention In Social Services PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Crisis Intervention In Social Services PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
