Critical Introduction To Ethics Revised:

A Critical Introduction to Ethics. Revised Philip WHEELWRIGHT,1949 **A Critical Introduction to Ethics** Philip Wheelwright,2013-10 This is a new release of the original 1935 edition **A Critical introduction to ethics** Philip Ellis Wheelwright,1959 **Ethics Teaching in Higher Education** Daniel Callahan,Sissela Bok,2012-12-06 A concern for the ethical instruction and formation of students has always been a part of American higher education Yet that concern has by no means been uniform or free from controversy The centrality of moral philosophy in the undergraduate curriculum during the mid 19th Century gave way later during that era to the first signs of increasing specialization of the disciplines By the middle of the 20th Century instruction in ethics had by and large become confined almost exclusively to departments of philosophy and religion Efforts to introduce ethics teaching in the professional schools and elsewhere in the university often met with indifference or outright hostility The past decade has seen a remarkable resurgence of the interest in the teaching of ethics at both the undergraduate and the professional school levels Beginning in 1977 The Hastings Center with the support of the Rockefeller Brothers Fund and the Carnegie Corporation of New York undertook a systematic study of the state of the teaching of ethics in American higher education Medicine and Ethics Jay Rosen,1975 **Manual of Historico-critical Introduction to the Canonical Scriptures of the Old Testament** Carl Friedrich Keil,1882 **Critical and Exegetical Hand-book to the Gospel of Matthew: Translation revised and edited by William Stewart** Heinrich August Wilhelm Meyer,1879 Introducing Christian Ethics Henlee H. Barnett,1961 This book provides an introduction to Christian ethics which gives more attention to the biblical basis and the role of the Holy Spirit than is usually given in current texts on the subject Catalogue of the General Theological Library, Boston, Massachusetts General Theological Library,1913 Bulletin of the Public Library of the City of Boston Boston Public Library,1908 Contributions to a New Revision, Or, A Critical Companion to the New Testament Robert Young,1881 Case Studies in Pharmacy Ethics Robert Veatch,Amy Haddad,2010-04-10 Pharmacists face ethical choices constantly sometimes dramatic life and death decisions but more often subtle less conspicuous choices that are nonetheless important Among the topics confronted are assisted suicide conscientious refusal pain management equitable distribution of drug resources within institutions and managed care plans confidentiality and alternative and non traditional therapies Veatch and Haddad s book first published in 1999 was the first collection of case studies based on the real experiences of practicing pharmacists for use as a teaching tool for pharmacy students The second edition accounts for the many changes in pharmacy since 1999 including assisted suicide in Oregon the purchasing of less expensive drugs from Canada and the influence of managed care on prescriptions The presentation of some cases is shortened most are revised and updated and two new chapters have been added The first new chapter presents a new model for analyzing cases while the second focuses on the ethics of new drug distribution systems for example hospitals where pharmacists are forced to choose drugs based on cost effectiveness and internet based pharmacies

Biblical Faith and Social Ethics Edward Clinton Gardner,1960 The aim of the present study is to help the interested student come to grips with the basic issues and problems of morality as these appear In the light of Christian faith It is hoped that the student will be led to pursue the issues that are raised here by reference to other interpretations of Christian ethics Finally the reader should perhaps be warned in advance that he will find here no code or set of rules which will tell him what the Christian must do in order to lead the good life Rather he will be pointed to a faith which enables him to act spontaneously and freely where the rules break down or are lacking Introduction p 18 *New Examination Statutes* University of Oxford,1915 The Critical Review of Theological & Philosophical Literature Stewart Dingwall Fordyce Salmond,1898 **Literary World; Choice Readings from the Best New Books, with Critical Reviews** ,1889 **The Shelf List of the Union Theological Seminary Library in New York City** Union Theological Seminary (New York, N.Y.). Library,1960 *The Biblical Ethic of Love* Charles Webb Carter,R. Duane Thompson,1990 This work delineates the merits and demerits of selected major historical humanistic ethics with a view to showing the necessity of certain ethical absolutes not found in humanistic ethics This is followed by an examination of the ancient Hebrew ethics including the positive significance of the Decalogue for all times and peoples An examination of Christian ethics as found in the New Testament follows with special emphasis upon agapic love as the fulfillment of all legitimate ethical requirements upon humanity A brief analysis of contemporary ethical situationism and its influence upon the thought and life style of society is considered The book concludes with a chapter on certain current burning ethical issues **A Critical Analysis of Patriotism as an Ethical Concept** Clarence Reidenbach,1918 Bulletin of the Public Library of the City of Boston ,1908
