**Critical Memory** Houston A. Baker, 2001 From the lone outcry of Richard Wright's *Black Boy* to the chorusing voices of Louis Farrakhan's Million Man March *Critical Memory* looks across the past half century to assess the current challenges to African American cultural and intellectual life As Houston A Baker recalls his own youth in Louisville Kentucky and Washington D C he situates such figures as Ralph Ellison James Baldwin Shelby Steele O J Simpson Chris Rock and Jesse Jackson within such issues as the embattled state of African American manhood and the financing and promotion of black intellectuals The memory of the book's title is doubly critical It is imperative Baker says that we keep alive the embarrassing macabre and always bizarre memory of race in America In another respect the remembering must be pointed and keen enough to discern truth from its often highly politicized commercialized trappings Throughout the book Baker returns again and again to the triad of race likability the compromises by which one gains credibility in white America and clearance the separation of blacks from the rights spaces and privileges of American citizenship These concepts Baker argues gird the meritocracy still in force that claimed progress in granting black men like his father the freedom to work themselves to death behind a desk instead of a mule In *Critical Memory* reason and cool rage converge to expose the draining tasks of reconciling white America's perception of its righteousness with its lack of relish for the truth it claims to welcome from black intellectuals and artists

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
