

Family Medicine Letter of Recommendation Sample

To the Riverside Hospital Residency Admissions Board:

It is seldom that I encounter a medical student as unique and promising as Mr. Andrew Flynn, and it is a pleasure to write this letter of recommendation for a residency in family medicine. I first met Mr. Flynn during medical school interviews, where he immediately displayed a confidence and eloquence that immediately set him apart from the other interviewees. He was the first applicant we decided to extend an offer of admissions to, after reviewing his impressive qualifications and discussing his performance during interview weekend. Throughout his time in medical school, he has demonstrated himself to be an excellent clinician with a dedication to patient wellness.

Having served both domestically and internationally as an emergency aid worker, Andrew came to medical school familiar with many of the concepts of anatomy and pathology introduced in the classes and beyond. Despite his mastery of the subjects, he remained humble, and could often be found helping other students to review and study for exams. His performance on all exams, including the STEP exams, have been stellar, placing him in the top 5% of graduates. He has always maintained that his calling is to enter into family medicine, and I believe that he will be an excellent family physician.

As previously mentioned, Andrew was very well-liked by his peers, and was voted "Most Likely to Cure Cancer" by his classmates during second year superlatives. Indeed, Andrew was involved in significant research efforts during medical school, and has been on several published papers regarding infectious disease and cancer. His research and clinical experience have given him a strong understanding of the medical field, and I expect that he will continue to excel throughout his residency experience and beyond. I highly recommend him to you without any reservations.

Sincerely,
John Gregory, MD

Experience of Christ Witness Lee, From the experiences of the saints throughout the ages and in the light that we have seen in these recent years before the Lord we may say that the experience of life can be divided into four stages with a total of nineteen points According to our experience the first four stages may be designated as follows the first stage may be called the salvation stage the second the revival stage the third the stage of the cross and the fourth the stage of spiritual warfare But according to our relationship with Christ these four stages should be designated in this way the first stage in Christ the second abiding in Christ the third Christ abiding in us and the fourth Christ fully grown in us The experiences of these four stages are based on our relationship with Christ Life is God Himself yet in order that God may be our life this life must necessarily be in Christ Therefore the Scripture says Christ is our life Col 3 4 Since life is Christ when we experience life we experience Christ The experience of life may be expressed therefore as our relationship with Christ The Lord's Supper Thomas Watson, In this profound meditation on the Lord's Supper Puritan theologian Thomas Watson unveils the rich meaning and spiritual significance of the sacrament With deep insight he explores how the bread and wine represent Christ's broken body and shed blood and how partaking of them seals God's covenant promises to believers Watson explains the mystery of Christ's real spiritual presence in the supper and how it offers a foretaste of heavenly glory He also gives practical guidance on preparing our hearts to come to the Table so that we may experience the overflowing love of Christ poured out for us The Lord's Supper is a spiritual feast that nourishes our souls confirms our faith and draws us into intimate communion with our Savior This classic work will deepen your understanding and appreciation of this means of grace

The Secret of Experiencing Christ Witness Lee, 2024-02-15 The Christian life is one of experiencing Christ at all times In order to enjoy and experience Christ in full we need to see who Christ is what He has done for us and we especially need to see that we are in an organic union with Christ This is the most crucial aspect of the secret of experiencing Christ In The Secret of

Experiencing Christ Witness Lee points out that it is in this organic union of the Spirit with our spirit that Christ lives in us and we live in Him

Eating the Lord Witness Lee, 2000-09-01 From beginning to end the Bible speaks of eating the Lord When God created man He placed man in front of Himself as the tree of life and rather than commanding man concerning praise or worship He commanded man to eat The Old Testament speaks further concerning the matter of eating in its presentation of the types of the Passover lamb the offerings in the tabernacle and the produce of the good land of Canaan The New Testament also speaks very clearly concerning our eating especially in its presentation of Christ as the portion of all the believers In Eating the Lord Witness Lee unveils the great scriptural truth that eating the Lord is simply to enjoy the Lord so that God can impart Himself into man to fulfill His heart's desire When we believed in the gospel a great feast was spread before us and day by day we can keep this feast by cooperating with the Lord's inward operation In this way Christ will be an abundant portion for our enjoyment and for those with whom we share Him

Black, 2023-07-11 Do this in remembrance of Me From the very beginning the Lord's Supper has stood at the heart of Christian worship But over the years we've trivialized it squeezing it in between real worship If Jesus lives in us and the Holy Spirit is poured out on us why do we need to eat bread and drink grape juice or wine Does it really matter It does matter and it's life changing says leading Pentecostal theologian Jonathan Black With warmth and depth he explores not only how the table is still a powerful place of transformation and encounter with Jesus but also how we can experience Christ's promise of presence glory healing forgiveness victory and intimacy when we answer His call to come to the table Whether you're feeling
