Patel,2025-09-05 Is charismatic renewal a bit too much like postmodernism With its multiple ways of knowing what is true touchy feely and pragmatic with an emphasis on personal story and community why does it look like something dreamt up by postmoderns longing for a church befitting their ideals This book explores these questions by investigating an example of charismatic renewal the Charismatic Movement in the Church of England leading to some surprising results Appearances can be deceiving and what seems postmodern about charismatic renewal is a complex mix of modernism reactions to modernism and a longing to go back to a time before modernism reared its head Jitesh Patel helps show how renewal s ongoing life has much still to contribute to the wider church s life once it recognizes the strengths and weaknesses of how it has formed in the context of modernism and the chapters herein illuminate what its future could look like as a result **The Writers Directory 2008** Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography **A History of the County of Somerset** Adam Chapman,Matthew Bristow,2023-11-14 Authoritative and detailed account of the history of important Somerset parishes from prehistory to the present day This volume the twelfth in the Somerset series describes the history of the eastern part of Carhampton Hundred Bounded by the Bristol Channel and Exmoor with steep hills forming a backdrop to a coastal plain the area is now dominated by the seaside
