S. B. Sawyer, 2014-09-02 How did one man's unshakable faith shape the future of thousands struggling to break free from the grip of addiction poverty and sin Join Gary Wilkerson as he shares a never before seen look at the incredible life and legacy of his father bestselling author and evangelist David Wilkerson This book tells the story of David Wilkerson a man who refused to give up on those on the streets even when they had given up on themselves and who saw in the eyes of drug addicts and gang members what others failed to see the unconditional love of Jesus Christ But who was David Wilkerson When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets he was a skinny 120 pound man After the initial publicity that brought him face to face with some of the most dangerous young men in the city he largely flew under the radar of the media using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence Wilkerson was always the real deal full of passion and conviction not interested in what others said was the right thing to do An evangelist both in America and overseas David authored books that inspired people to be serious about their relationship with Christ His financial generosity reached around the globe providing homes for the destitute and feeding programs for the hungry When he founded the Times Square Church in 1987 his ministry impacted more lives than he ever dreamed possible Throughout David Wilkerson you'll be inspired by The life changing power of faith What it means to trust God wholeheartedly The importance of following your true God given calling David was a man of faith who trusted God would give him what he needed to enter a cruel world a man of conviction who took the dream God gave him and marched forward without ever looking back As you come to know David's story you'll learn to see the world the way he did through the lens of eternity **The Cross & the Switchblade** David R. country preacher settled comfortably in a little mountain church in Pennsylvania What could God possibly expect him to accomplish in New York City of all places But the thought would not let him go and his life and the lives of countless despairing teens were changed forever on account of it This is the story of the founding of Teen Challenge an inner city ministry that today maintains residential and crisis counseling centers around the globe But even more it is a story of how the most unlikely people can hear and follow God s call to do the impossible From publisher description Cross and the Switchblade David R.
