Cross The Great Desert:

Travels through Central Africa to Timbuctoo and across the Great Desert to Morocco performed in the year 1824-1828, Vol. II René Caillié, 2023-04-06 Travels through Central Africa to Timbuctoo and across the Great Desert to Morocco performed in the year 1824 1828 Vol II is a travelogue written by Ren Cailli a French explorer who made a journey to Timbuktu and back in the early 19th century In the second volume of his work Cailli details his return journey from Timbuktu to Morocco covering a distance of approximately 3 000 miles He describes the people and cultures he encounters along the way including the Tuareg people and provides a wealth of information on the geography flora and fauna of the region The narrative is both informative and engaging providing a fascinating glimpse into the world of West Africa during this time period Travels Through Central Africa To Timbuctoo; And Across The Great Desert, To Morocco Vol. 1 Rene Caillie, 2023-11-01 Travels through Central Africa to Timbuctoo and across the Great Desert to Morocco is a captivating account authored by Ren Cailli in the early 19th century Comprising two volumes with this summary focusing on Volume I the narrative unveils Cailli s extraordinary journey through uncharted territories during 1824 1828 Vol I introduces Cailli s ambitious mission to reach Timbuctoo a fabled African city Despite daunting challenges and danger he embarked on a daring expedition determined to unveil the mysteries of the African interior Cailli s narrative offers a firsthand exploration of diverse cultures and landscapes and also obstacles encountered throughout his expedition The book chronicles his daring encounters with indigenous tribes their customs and also the harsh realities of the arid Saharan Desert Facing extreme weather conditions and constant peril Cailli s resilience and other one adaptability are evident as he navigates treacherous terrain With vivid descriptions Cailli documents the culture history and socio political dynamics of the regions he traverses His account provides valuable insights into the African societies and their traditions during the early 19th century In Volume I Cailli s gripping tale takes readers on an unforgettable journey brimming with adventure discovery and personal determination His remarkable achievements serve as an enduring testament to the human spirit s boundless curiosity and tenacity transcending geographical and cultural boundaries Travels Through Central Africa to Timbuctoo and Across the Great Desert to Morocco, 1824-28 Rene Caillie, 2013-03-07 Rene Caillie was the first European who penetrated to Timbuctoo and returned to communicate the information he had collected This account was first published in 1830 and records observations of a journey of 4500 miles of which 3000 were hitherto unknown to Europeans **Great Desert Explorers** Andrew Goudie, 2016-12-01 Desert exploration like climbing Everest or polar expeditions is not for the faint hearted and many of the vivid tales within this fascinating biographical history end in tragedy However the informative and absorbing descriptions of the extraordinary journeys challenges and achievements of these intrepid figures are captivating They risked their lives variously for good old fashioned epic adventure solitude fame the answer to mythical questions and some were even spies They experienced fear excitement and hardship in their journeys into the unknown There are many books on

exploration but remarkably few on desert exploration Moreover some of the great desert explorers of the last three hundred years are now very little remembered or appreciated in comparison say with those who ventured to the poles climbed Everest or sought the source of the Nile Yet crossing unknown deserts is no less challenging This volume finally brings these Great Desert Explorers into the limelight with short illustrated biographies of around 60 of the most interesting intrepid and important explorers of the world s greatest deserts There is also a brief introduction to each desert region The many original quotations illustrations and maps contemporary figures as well as plates of a range of desert landscapes make this a colourful lively and informative read
