Hershock, 2012-06-22 In 1812 New Hampshire shopkeeper Timothy M Joy abandoned his young family fleeing the creditors who threatened to imprison him Within days he found himself in a Massachusetts jailhouse charged with defamation of a prominent politician During the months of his incarceration Joy kept a remarkable journal that recounts his personal anguished path toward spiritual redemption Martin J Hershock situates Joy s account in the context of the pugnacious politics of the early republic giving context to a common citizen s perspective on partisanship and the fate of an unfortunate shopkeeper swept along in the transition to market capitalism In addition to this close up view of an ordinary person s experience of a transformative period Hershock reflects on his own work as a historian In the final chapter he discusses the value of diaries as historical sources the choices he made in telling Joy s story alternative interpretations of the diary and other contexts in which he might have placed Joy s experiences The appendix reproduces Joy s original journal so that readers can develop their own skills using a primary source Mystery on the Isles of Shoals J. Dennis Robinson, 2014-11-18 For the first time the full story of a crime that has haunted New England since 1873 The cold blooded ax murder of two innocent Norwegian women at their island home off the coast of New Hampshire has gripped the region since 1873 beguiling tourists inspiring artists and fueling conspiracy theorists The killer a handsome Prussian fisherman down on his luck was quickly captured convicted in a widely publicized trial and hanged in an unforgettable gallows spectacle But he never confessed and while in prison gained a circle of admirers whose blind faith in his innocence still casts a shadow of doubt A fictionalized bestselling novel and a Hollywood film have further clouded the truth Finally a definitive whodunnit account of the Smuttynose Island ax murders has arrived Popular historian J Dennis Robinson fleshes out the facts surrounding this tragic robbery gone wrong in a captivating true crime page turner Robinson delves into the backstory at the rocky Isles of Shoals as an isolated centuries old fishing village was being destroyed by a modern luxury hotel He explores the neighboring island of Appledore where Victorian poet Celia Thaxter entertained the elite artists and writers of Boston It was Thaxter s powerful essay about the murders in the Atlantic Monthly that shocked the American public Robinson goes beyond the headlines of the burgeoning yellow press to explore the deeper lessons about American crime justice economics and hero worship Ten years before the Lizzie Borden ax murder trial and the fictional Sherlock Holmes Americans met a sociopath named Louis Wagner and many came to love him **Small Town, Big Oil** David W. Moore, 2018-03-06 How three New Hampshire women triumphed over an oil billionaire A very timely reminder that when we fight we often win Bill McKibben Never underestimate the underdog In 1973 Greek oil shipping magnate Aristotle Onassis husband of President

John F Kennedy s widow Jacqueline and arguably the richest man in the world proposed to build an oil refinery on the narrow New Hampshire coast in the town of Durham At the time it would have cost 600 million to build and was expected to generate 400 000 barrels of oil per day making it the largest oil refinery in the world The project was vigorously supported by the governor Meldrim Thomson and by William Loeb the notorious publisher of the only statewide newspaper the Manchester Union Leader But three women vehemently opposed the project Nancy Sandberg the town leader who founded and headed Save Our Shores Dudley Dudley the freshman state rep who took the fight to the state legislature and Phyllis Bennett the publisher of the local newspaper that alerted the public to Onassis secret acquisition of the land Small Town Big Oil is the story of how the residents of Durham led by these three women out organized out witted and out maneuvered the governor the media and the Onassis cartel to hand the powerful Greek billionaire the most humiliating defeat of his business career and spare the New Hampshire seacoast from becoming an industrial wasteland Activists and organizers will find lots of ideas and inspirations in this book s detailed account of an epic battle Bill McKibben An apt handbook on the power of the people Providence Journal **Historical New Hampshire** ,2005 **Sea History** ,2002 **New England Ancestors** ,2002 **American Book Publishing Record** ,2002 **America, History and Life** ,2003 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Uncoverings 2008** Laurel Horton,2008 **Rhodora** ,2009 The Woodenboat ,2004 **Natural New England** ,2005 Forthcoming Books Rose Army,2002-04 Subject Guide to Books in Print ,1991 Books in Print Supplement ,2002
