Cross In The Old Testament:

The Cross in the Old Testament Henry Wheeler Robinson, 1955 **The Cross in the Old Testament** H. Robinson, 1956 **The Tragic & Triumphant Cross** Stephen J. Binz, 2005 The cross is the both worlds most contemptible instrument of punishment and the symbol of humanity s greatest hope In turning this tool of torture into his followers proudest boast Jesus produced the most dramatic reversal the world has ever experienced Worn around our necks hung in our homes carried in procession and set on mountaintops the cross speaks to what we believe about Jesus and about how we understand our lives in relationship to him This study plumbs the depths of Scripture for the horrible and glorious significance of the world s most beloved symbol Ideal for Lent and Easter seasons **The Cross in the Old Testament** H. Wheeler Robinson, 2003-01 **The Cross in the Old Testament** H. Wheeler Robinson, 2013-10 This is a new release of the original 1955 edition The Bible and the Cross George Campbell Morgan, 1909 The Cross in the New Testament Leon Morris, 1965 This is a print on demand book and is therefore non returnable From time to time in the study of theology it becomes necessary to evaluate what Scripture has to say on certain crucial doctrines of the faith Leon Morris presents here a survey of the vast subject of atonement as it is considered in the New Testament also taking into account the most significant work that has been written on the subject While Morris is concerned to emphasize the necessity of appreciating the many strands that are woven into the Christian doctrine of the atonement he does not hesitate to criticize the views of modern scholars when those views are not wholly in accordance with the New Testament teaching Here is a valuable apology from an evangelical point of view for the biblical doctrine of the atonement in the face of modern liberalism At the heart of this doctrine is the idea of substitution Morris believes and his thorough examination and defense of this view contribute to making this volume a theological treatise of great usefulness and significance **The Mystery of the Cross and the Narrow Gate Revealed: What the Bible Really Says** Michael J. Roberts, 2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it argues that both the Reformers understanding of the atonement and their doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis The Mystery of the Cross and the Narrow Gate uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer www.themysteryofthecross.com **The Cross in the Old Testament. Signs of the Cross: the Search for the Historical Jesus Andrew Gabriel Roth,2001-06-05

SEE BELOW FOR AN IMPORTANT UPDATE While the dawn of the new millennium has brought an unprecedented interest to the field of New Testament studies and the search for the historical Jesus a critical piece in early Christian development has been noticeably absent Tertullus laid charges against Paul in the following address to the governor Your Excellencywe have found him to be a troublemakera ringleader of the sect known as the Nazarenes Paul said I admit that I follow the Way which they call a sect I worship the God of our ancestors and I firmly believe the Jewish law and everything written in the books of prophecy I have hope in God just as these men do that he will raise both the righteous and the ungodly Acts 24 2 5 11 15 NLT Put simply the world has so embraced the story of how the apostle Paul took a small Jewish apocalyptic sect and transformed it into a global Gentile movement that it has forgotten the very first followers of Jesus otherwise known as Nazarenes What were they like and how did their beliefs differ from the Roman based model that sprang up later Even from the Catholic fathers we are given some tantalizing clues But these sectariansdid not call themselves Christians but Nazarenes however they are simply complete Jews They use not only the New Testament but the Old Testament as well as the Jews doThey have no different ideas but confess everything exactly as the Law proclaims it and in the Jewish fashion except for their belief in the Messiah if you please For they acknowledge both the resurrection of the dead and the divine creation of all things and declare that God is one and that His Son is Yshua the Messiah They are trained to a nicety in Hebrew For among them the entire Law Prophets and theWritingsare read in Hebrew as they surely are by the Jews They are different from the Jews and different from Christians only in the following They disagree with the Jews for they have come to faith in Messiah but since they are still fettered with the Lawcircumcision and the Sabbath and the restthey are not in accord with ChristiansThey have the Good News according to Matthew in its entirety in Hebrew For it is clear they still preserve this in the Hebrew alphabet as it was originally written Epiphanius Panarion 29 fourth century Are these Nazarenes actually the unknown continuation of the Apostle Pauls ministry What about the Jerusalem Church mentioned so frequently by Paul and headed up by Peter and James the Just Why is it only now that we can tell the story of Christendoms most influential group throughout its first fifty years andabove allwhat happened to them Furthermore even a casual glance at any New Testament will show the Gospel of Matthew given the honor of being the first book in the collection Such an arrangement directly derived from ancient belief of what was written when is currently ignored because modern scholarship accords this honor to Mark Similarly while the scholarly world has all but forgotten the Nazarenes they have proclaimed almost universally that the New Testament was originally written in Greek despite strong early testimony and clear textual evidence to the contrary However since the fourth century the Nazarenes at some time seem to have vanished off the face of the earth As a result their existence has now been rendered into little more than a footnote in history and their connection to the original Christian movement and their Semitic scriptures have been believed to be lost forever That is until now Now for the first time a modern Nazarene breaks his
