Crossed Currents Navy Women From Wwi To Tailhook:

Crossed Currents Jean Ebbert, Marie-Beth Hall, 1993 From 1917 when Yeoman Loretta Perfectus Walsh became the first US servicewoman who was not a nurse to the infamous Tailhook scandal of today women have struggled for acceptance within the US Navy Ebbert and Hall have written a comprehensive and inspiring history that suggests Tailhook was a scandal to be expected 26 photos **Crossed Currents** Jean Ebbert, Marie-Beth Hall, 1994 A complete history of essential to anyone interested in Navy history The Armed Forces and American Social Change Troy Mosley, 2021-10-04 The Armed Forces and American Social Change is a powerful depiction of black Americans struggle for equality told through the lens of uniformed military service Troy Mosley uses superb storytelling personal vignettes and historical examples to show how millions of Americans have lifted themselves from oppression through opportunities gleaned from military service Collectively these efforts exerted positive outward pressure on American society which by and large has resisted social change One unique aspect of combat is that rarely are Americans more equal than when thrust into harm's way It has been said there are no atheists in combat similarly racism sexism and homophobia quickly go by the wayside when under enemy fire Yet in the 19th century and well into the 21st America's military policies regarding the use of manpower could best be described as an awkward attempt to balance the requirement to win the nation's wars while supporting a socio political caste system President Harry Truman signed Executive Order 981 on July 26 1948 in response to police violence perpetrated against black veterans His actions broke this trend and set the military on the path toward true meritocracy Today retired General Lloyd Austin is the first black American Secretary of Defense in part due to the barriers broken down by those who served before him The armed services fiercely resisted integration gender equality and LGBTQ equality but over time have grown to value America's wellspring of diversity as a strategic and operational advantage Under the Trump administration many military policies supporting transgender inclusion were reversed This reversal thrust the U S military among other institutions into the ideological tug of war that lies at the heart of present day polarization in American society This ideological divide is the crux of the public discourse surrounding Critical Race Theory America's racist and sexist past and how we contextualize our history going forward for the betterment of the nation As far as America has come we still have work to do for Truman's vision of equality of opportunity to become a reality for all Americans Join this thought provoking narrative that celebrates brave American military pioneers and challenges us all to continue pushing for a better expression of America Release a Man for Combat Michaela Hampf, 2010 Die etwa 150 000 Frauen die im Zweiten Weltkrieg im Women's Army Corps Dienst taten waren die ersten regulären Soldatinnen der US Armee Um männliche Soldaten für den Kampf freizusetzen arbeiteten sie auch in traditionellen Männerbereichen etwa als Mechanikerinnen oder Pilotinnen in den USA Afrika Europa und Südostasien Die Autorin geht den Erfahrungen dieser Frauen nach den militärischen und zivilen Diskursen über Soldatinnen im Militär und dem Umgang der Armee mit soldatischer Weiblichkeit und weiblicher Sexualität

Anhand von Regierungsdokumenten Kriegsgerichtsprozessen aber auch Selbstzeugnissen Gedichten und Songs zeigt M Michaela Hampf wie umkämpft die Konstruktion der Soldatin im Amerika der vierziger Jahre war und bis heute ist
